VOL. 55—NO. 89 JACKSONVILLE, ILLINOIS, THURSDAY MORNING, APRIL 14, 1921 TEN PAGES—THREE CENTS

FIVE PERSONS MEET DEATH WHEN TORNADO SWEEPS TEXAS TOWN

Fire Follows In Wake Of Storm And Entire Business Section Is Destroyed--Railroad Tracks Are Torn Up--Great Damage Done To Farms In Killing Of Stock.

BULLETIN
(By The Associated Press)
MELISSA, Texas, April 13.—Eight persons are dead, five probably fatally injured and approximately fifty others more or less seriously injured as a result of a tornado which struck here this afternoon. Five of those killed were negroes.

BULLETIN
BEAUMONT, Texas, April 13.—A tornado which struck near Liberty, Texas, this afternoon, killed J. D. Boutlier and injured B. A. Adams, both of Beaumont. The men were riding in a truck and trailer when the tornado swooped down. The trailer was hurled 75 feet into a field.

McKINNEY, Texas, April 13.—Five persons were killed and from 25 to 50 others injured, some probably fatally, when a tornado swept down from the west on Melissa, six miles north of here today. Fire followed in the debris of buildings razed and virtually the entire business district and the east side of the town were destroyed.

The tornado unroofed the school building in which about 240 children were at classes, also caving in the east walls, but due to the foresight of the principal and teachers who, when they saw the tornado approaching, marshalled their charges into the basement, no children were hurt.

The dead are:
Three year old daughter of Mr. and Mrs. Warner Young.
Three year old daughter of Mr. and Mrs. Wheeler Lottice.
Lou Hawkins, 30.
Henry Morgan.
Florence Thomas.

Railroad Tracks Torn Up
The tracks of the Houston & Central railroad and electric interurban railway thru Melissa were torn up for a half mile. A string of freight cars on the railroad track was blown off, injuring some trainmen.

The tornado dealt with Melissa in the usual freakish fashion. It originated near Franklin, six miles west of Melissa, swept eastward, destroying farm buildings along the way at Boland and Chambersville, then missed the west side of Melissa only to sweep down from the east.

A hotel facing south was hurled around by the wind, and left facing west. No one in the hotel was hurt.

The Lottice child was killed in her mother's arms by a flying piece of scantling. The mother was not injured.

Many horses and mules were killed.

In the business district only one building, the bank, was left standing, and about 25 structures, mostly brick buildings, were destroyed. All residences in the east portion were blown down.

ALTON RAILROAD PLANS TO LAY OFF MANY EMPLOYEES

Will Reduce Shop and Office Force 1,000 and 1,500 Men

(By The Associated Press)
CHICAGO, April 13.—The Chicago & Alton railroad will take immediate steps to lay off between 1,000 and 1,500 employees, President W. G. Biers announced today, when representatives from all crafts employed refused to enter a wage conference. The reduction in forces, Mr. Biers said, will be principally in the shops at Bloomington and in the general offices here.

The employees, representatives said they were working under the award of the railroad labor board and "must refuse to enter any wage reduction conference."

Sixteen unions were represented. Mr. Biers said the appeal for reduction would be made to the labor board.

"The road," he said, "can not meet the next pay roll and the Illinois taxes, due May 1, unless we get some immediate relief. If you men will not agree to a general lightening of the burden all along the line, then others must take the whole burden. We can not cut our operations department. The road must be kept running. But we can lay off shopmen and office help."

DANGER POINT BEING PASSED
Chicago, April 13.—The most serious danger point either has passed or is passing for most industries, John Moody, of New York, statistician and authority on business conditions, said in an address before the Chicago association of commerce today.

KNOX RESOLUTION FOR PEACE WITH GERMANY IS UP

Is Practically Same as
Vetoed by President Wilson

RESOLUTION IS
GIVEN IN FULL

(By The Associated Press)
WASHINGTON, April 13.—In line with the recommendations in President Harding's message to Congress a resolution to end the state of war with Germany and Austria was introduced today by Senator Knox of Pennsylvania. It contains no general declaration of war, but is a resolution to terminate the state of war with Germany and Austria.

Senator Knox's new resolution differs little from that which he sponsored before. As suggested in President Harding's address it contains no general declaration of American policy with respect to future action by the United States but is confined to measures for ending technically the state of war. It also would reserve to the United States all rights and privileges under the treaty of Versailles and to alien enemy property seized during the war.

The resolution follows:
"Resolved: That the joint resolution of Congress passed April 6, 1917 declaring a state of war to exist between the Imperial German government and the government and people of the United States and making provisions to prosecute the same, believe and the same is hereby repealed and said state of war is hereby declared at an end."

"Provided, However, that all property of the Imperial German government or its successor or successors and of all German nationals which was, on April 6, 1917, or has since that date come into the possession or under control of the government of the United States or of any officers, agents, or employees from any source source or by any agency whatever, shall be retained by the United States and no disposition thereof made, except as shall have been heretofore or specifically hereafter be provided by Congress."

Many bills in House and Senate to Meet His Proposals

WORK ON PROGRAM OF DOMESTIC LEGISLATION

(By The Associated Press)
WASHINGTON, April 13.—Congress squared away today on the administration program outlined in President Harding's address yesterday. In harmony with the president's recommendation, the house today arranged to expedite the emergency tariff bill, whose passage is expected there Friday, while in the senate the resolution to end the state of war with Germany and Austria was introduced by Senator Knox, Republican, Pennsylvania.

Many bills in both senate and house, designed the most legislative proposals of Mr. Harding also were introduced. Senator Borah, Republican, Idaho, re-introduced his naval disarmament resolution, proposing a three-power conference of the United States, Great Britain and Japan.

In preparation for the emergency tariff debate the house today received the formal report on the bill, and after an eleven-minute session, adjourned until tomorrow, which was set aside for general tariff discussion.

Opposition to Treaty
Discussion of the \$25,000,000 Colombian treaty was resumed today in the senate, with Senator Kellogg, Republican, Minn., speaking in opposition to ratification. The senate also took up its committee organization, precipitating the first partisan clash between Republicans and Democrats.

Committees plan to begin work immediately on the long program of domestic legislation. The army and navy appropriation bills, which failed in the last congress, are to be given prominent places on the schedule with the temporary immigration restriction bill, one of the early measures to be pressed.

I. C. TALKING

WAGE REDUCTION
Chicago, April 13.—The Illinois Central railroad announced today that officials were conducting conferences with representatives of the road's employees with regard to proposed wage reduction.

Whatever action is taken eventually, officials said, will be subject to the approval of the railroad labor board. The amount of the proposed reduction was not announced.

General Morland, second from right, inspecting one of the British Coastal Bouts patrolling the Rhine at Dusseldorf, one of the German strategic points seized by the Allied troops.

DEMOCRATS WILL STAND AGAINST TARIFF MEASURES

Accuses Republicans
of Tossing Millions
to Trusts

MAKE OTHER CHARGES
EQUALLY RASH

(By The Associated Press)
WASHINGTON, April 13.—House Democrats hold themselves thru caucus action today to stand against the emergency tariff and anti-dumping bill and Representative Kitchen, minority leader, made public simultaneous statements of views of minority members of the ways and means committee bitterly assailing the Republican temporary tariff program. Sharp differences arose on the question of instructing Democratic members to vote unreservedly against the emergency measure, but it was carried 77 to 23. Mr. Kitchen predicted that "less than a dozen Democratic votes will be cast for the Young bill."

In the minority report, the Republicans are accused of tossing into the lap of the packers, the sugar trust and the woolen trust, \$775,000,000 a year, and of seeking to disbar any future trade with the central powers and smaller states of Europe thru "a subtle and dangerous joker," in directing the secretary of the treasury to fix the value of foreign money as a basis for levying duties on imports.

The bill is characterized as even worse than its predecessor, the Fordney measure, by the report, which asserts that if any advantage will be gained anywhere from the new proposal it will be to trusts, speculators and profiteers.

Change Name of Bill
"We note that the bill has been changed since the last session of congress," the report adds, "from the Fordney emergency tariff bill to the Young emergency tariff bill. Whether the ways and means committee thought the name of its chairman, Mr. Fordney, attached to the bill, would discredit it or believed that by attaching the name of Young from the agricultural state of North Dakota, it would more easily fool the farmers, we can not undertake to say. But there must be some political significance in it."

Figures are presented purporting to show that the actual increase in living costs resulting from enactment of such a law would be about \$2,000,000,000 a year.

The statement says that the bill would hand a "gratuity" of \$125,000,000 annually to the "sugar trust, \$550,000,000 annually to the meat and beef trust, the packers," and more than \$100,000,000 a year to the income of the "woolen trust."

In conclusion the report charges Republican leaders with having betrayed the consumers of the east and at the same time breaking faith with the farmers of the west.

**BIDS SHOW BIG
DROP IN COSTS**

(By The Associated Press)
SPRINGFIELD, Ill., April 13.—Contracts for road grading and bridge work on which bids were received yesterday will be awarded to the lowest bidders as soon as the tabulation is finally checked, Governor Small announced tonight after reviewing the bids which revealed a drop of 7 per cent for grading and 11 per cent for bridge work since February. The contracts call for preliminary road building work in the following counties: White, De, Ogle, Bureau, Henry, Knox, Winnebago, Wayne, Edwards, Winthamson and Franklin. Governor Small expressed "keen pleasure" in the marked fall of bids since February when bids in the same work were rejected.

ernment and the people of the United States and making provisions to prosecute the same, believe and the same is hereby repealed, and said state of war is hereby declared at an end."

GENERAL AMNESTY FOR PRISONERS IS NOT CONTEMPLATED

No Action to Be Taken Until
After Peace Is Declared

DELEGATION CALLS
ON VICE PRESIDENT

(By The Associated Press)
WASHINGTON, April 13.—Any action toward general amnesty for prisoners convicted under the wartime espionage laws is not contemplated until after a state of peace has been declared and the government will continue to consider each case on its individual merits, President Harding and Attorney General Daugherty today told delegations urging the release of Eugene V. Debs and others. Delegations also called on Vice President Coolidge and Speaker Gillett at the capitol, where they were told their pleas would be given consideration and that the administration would deal justly with the matter.

The delegation, numbering about 200, represented organized labor and civil organizations and their presence was part of a general amnesty program carried out today in leading industrial centers of the east and middlewest. Those calling on Mr. Harding included Morris Hillquit, of the Socialist party, Jackson, Ralston, attorney for the American Federation of Labor, and Albert de Silver, of the American Civil Liberties Union. Those in the committee calling on Mr. Daugherty included F. F. Kane, Swineburn, Hale, Otto Christensen, counsel for the convicted I. W. W. leaders; S. B. Castleton, counsel for Eugene V. Debs, and other lawyers representing the political amnesty committee.

Committee Cordially Received
After the conference Mr. Hillquit declared the committee had been given a cordial reception and felt encouraged. Mr. Hillquit told the president he was not seeking clemency "in favor of criminals," but was appealing for justice in behalf of victims of a morbid and abnormal political situation.

He argued that the men on whose behalf the plea was made had been tried and convicted solely on the basis of writings and speeches they had made in support of their political convictions and that they have not taken up arms against their country or sold themselves into the service of the enemy.

Attorney General Daugherty, in a statement after the delegation had called on him said, he would be inclined to be lenient in reaching a decision on individual cases. "I listened carefully to their arguments for granting general amnesty," he said. "Their statements were practically the same as those presented to my predecessor in office, and I shall consider them carefully in connection with the subject, and after consulting with the president and the special committee, which has been appointed to determine whether or not any policy should be adopted to extend general clemency to them."

**FIRST BREAK IN
RANKS OF WORKERS**

(By The Associated Press)
CHICAGO, April 13.—The first break in the ranks of building trades workers who have refused to accept proposed wage reductions, was made today when J. Moreschi, president of the unskilled building trades workers' union announced that a wage cut that would stimulate building would be acceptable to his union. Moreschi, according to H. J. Cohlgraff, secretary of the associated builders admitted he "could not long hold his union together without a new wage contract." The present contract, calling for \$1 an hour expires May 1.

More than half the unions in the building trades council already have rejected the recent proposal of the contractors to reduce skilled building trades workers' wages from \$1.25 an hour to \$1 an hour and the wages of unskilled workers from \$1 an hour to 70 cents. The contractors say that building operations will not be resumed until wages are reduced.

ANNUAL REPORT OF I. H. C. COMPANY IS MADE PUBLIC

Sales Were Largest
in History of the
Company

EMPLOYEES WILL
CUT BIG MELON

(By The Associated Press)
CHICAGO, April 13.—The International Harvester Company's annual report made public today, showed net profits for 1920 of \$16,665,000 as against \$20,011,000 in 1919. The percentage of net profit to capital invested was 7.9 per cent as against 9.6 per cent the previous year.

Despite the reduction in net profits, the company's sales were the largest in its history totalling \$225,000,000. In 1919 the sales totalled \$212,000,000. In the foreign field the company's sales amounted to \$60,000,000 breaking all records. Profits on foreign sales were declared to exceed those of 1919.

Machine selling prices in 1920, according to the report, showed an average increase of about sixty per cent above pre-war prices and repair parts showed an average increase of 40 per cent.

The total inventory at the end of 1920 was given at \$131,134,794 adjustments in which it was declared as \$7,500,000 from the year's earnings.

The company's capital expenditures aggregated \$13,550,000 for new plants, additions, extensions and improvements.

Employees to Get Cut
Under the company's extra compensation and stock ownership plan in effect for the first time last year whereby sixty per cent of the profit in excess of 7 per cent on the invested capital was to go to the employees, \$2,780,000 will be distributed on May 1 among approximately 24,000 eligible employees. The average number of employees on the payroll in 1920 was 48,280 with a total compensation of \$89,930,000.

In reviewing the foreign field, the report said that the company's plant at Neuss, Germany, which was formally returned to the company in June, 1920, "has been operated throughout the year and is meeting the demands of trade."

The Crox Works near Lille, France, stripped of its machinery by the invading German army, has been restored as a strictly modern plant and is now in complete operation.

In regard to future export business the report said that "long time credits, judiciously extended, will stimulate America's export trade and it is hoped that some plan along the lines of the proposed foreign financing corporation will function in the near future."

**NO DEMONSTRATIONS
FOR CONVICTED MEN**

(By The Associated Press)
Chicago, April 13.—Federal District Attorney Clyne took action today to prevent the holding of indignation meetings by any of the seventy nine I. W. W., who with W. D. Haywood, their leader, were denied new trials by the supreme court this week. Information had reached Mr. Clyne that the meetings were to be held in several central states and on the Pacific Coast.

Mr. Clyne called into conference Otto Christensen, attorney for Haywood and told him that meetings must not be held. Telegrams were received, Mr. Clyne said, from Seattle, Washington, Galesburg, Illinois, St. Paul, Minn., Sioux City, Iowa, and Oklahoma City, Okla., telling of scheduled meetings at these cities.

APPROVE LOAN OF \$2,000,000

Washington, April 13.—Approval of a application for a loan of \$2,000,000 for financing cotton exports was announced today by the war finance corporation.

Export of 30,000 bales of cotton to England, France, Italy, Portugal, Japan and Germany is involved in the transaction, according to Eugene Meyer, director.

RATIFICATION OF TREATY WOULD NOT BE KEEPING FAITH

Senator Kellogg Quotes Theodore Roosevelt in Opposing the \$25,000,000 Colombian Treaty—Would be Shadow on the Brightest Page of American Accomplishments

(By The Associated Press)
WASHINGTON, April 12.—Ratification of the \$25,000,000 Colombian treaty, would not be keeping faith with Theodore Roosevelt, Senator Kellogg, Republican, Minnesota, declared today in opening debate against the pact in the senate.

Acceptance of it, even as amended, Senator Kellogg asserted, would be a pusillanimous act and "a shadow on the brightest page of the history of American accomplishments." The Minnesota senator reviewed in detail the part played by the United States under President Roosevelt in the events that attended the revolt of Panama from Colombia and quoted a message he received in 1917 from Mr. Roosevelt, saying that ratification of this "infamous treaty" would set a dangerous precedent.

"It makes precedent," Mr. Roosevelt was quoted as saying, "for some successor of Wilson to pay at least as large a sum apiece to Costa Rica, Nicaragua, Haiti and Santo Domingo for what has been done to them recently and also to Chile for our insolent and improper treatment of her in connection with the Alsop claim."

Senator Kellogg also recorded a letter written by Colonel Roosevelt in 1917, in which he declared the "crux of the matter is as to whether we ought to have recognized Panama."

"If we did badly," Mr. Roosevelt wrote in reference to Panama's recognition, "we are in honor bound now to restore both Panama and the canal zone to the bandits from whom they were then severed. Mere payment of blackmail is not enough. * * * No revolution was ever more justified than that of Panama against Colombia, and had I not acted precisely as I did there would be no canal."

Senator Kellogg called attention to the objections raised to the treaty by senate Republicans when it was up for consideration in 1917, and denied that portions then found objectionable had been eliminated.

**Alpiner Would Do
Away With Utility
Board**

**SOLDIER BONUS BILL
IS PASSED BY HOUSE**

(By The Associated Press)
SPRINGFIELD, Ill., April 13.—An effort to force from the committee his bill to abolish the state public utilities commission will be made tomorrow Representative Ben Alpiner, Democrat, of Kankakee, said today, just before the house adjourned for the day.

Representative Alpiner's bill repeals the public utilities act of 1913. It was introduced early in the session about the time the administration utility bills went in, and like them has been lying idle in the committee on public utilities.

After a long debate Senator Sadler's bill providing for convict-made automobile license plates went over until next Wednesday when it will be made a special order of business. Senator Sadler said that the bill will not only be an economical move for the state but that the manufacture of plates at the state reformatory will aid the authorities in finding something for the inmates to do. Opposition to the bill on the ground that it would increase unemployment was voiced by Senator Denvir of Chicago.

House Passes Bonus Bill.
By a vote of 149 to 0 the Myers' soldier bonus bill, providing for a referendum on a \$55,000,000 bond issue to pay veterans fifty cents a day for their services in the World War, passed the house this morning. It now goes to the senate.

The bill, presented by officials of the American Legion, passed in almost its original form. It requires that veterans must have served two months, and provides for a maximum of \$300.

Representative Thon's bill to repeal the old law under which anti-horse thief associations in Illinois were organized, was reported out by the house judiciary committee.

In the senate, a bill providing for establishment of two year high school districts, introduced by Senator Buck, was reported out favorably by the Committee on Education.

Gives Board Power.
Voting 80 to 0 the house this afternoon passed the Baldwin bill authorizing the Chicago Board of Education, upon a three-fourths vote, to sell real estate without the consent of the city council. Other bills passed by the house today include the following:

Brinkman's bill to give Chicago sanitary district power to construct piers in St. Lawrence river under federal regulation.

The bill of the Committee on Farm Drainage, providing for refund of unexpended money in drainage districts, when the proposed improvement has been abandoned.

Other Bills Passed.
In the senate, the following bills were passed:
Kessinger's bill, amending the ejectment law, by providing six months extension of time to tenants.
Daley's Appropriating \$25,000 to the building probe committee.
Jewell's Permits juries com-

ALLEGES SHE WAS MARRIED BY FORCE

Woman Married on Wholesale Plan Asks Chicago Court to Annul Marriage—Was Inmate of House of David.

(By The Associated Press)
CHICAGO, April 13.—Declaring that she had been forced with 24 other couples to take part in a wholesale marriage ceremony while an inmate of the "House of David," a religious cult, Mrs. Hilda L. Hansel told her story to Judge Baldwin in circuit court today in an effort to have the marriage annulled.

According to her testimony, all of the victims were forced to undergo the ceremony under threat of being marooned on a deserted island in the Northern extremity of Lake Michigan. She said she was given only four hours notice of the wedding and hardly knew the man she married.

Mrs. Hansel said that since the ceremony which took place five years ago, she had left the House of David.

Judge Baldwin indicated that he would grant her plea for annulment.

WEATHER REPORT

Illinois: — Showers Thursday and probably Friday; not much change in temperature.

Temperatures
The current, maximum and minimum temperatures as recorded Wednesday were:

Jacksonville, Ill.	58	68	49
Boston	40	68	44

Minneapolis	58	66	54
Holmes	52	58	38
San Francisco	54	64	48
Winnipeg	42	52	24

posed of men and women to separate at night.

Kessinger's bill, requiring teaching of fundamentals of constitutional government in the seventh, eighth and ninth grades of public schools. This passed by a vote of 37 to 5.

The senate also advanced to third reading, Senator Turnbaugh's bill providing that any unincorporated or voluntary association of seven or more members may sue and be sued in the name of the association. This is one of the Turnbaugh series of bills, that is strenuously opposed by Organized Labor. It would make possible the suing of labor unions in the name of the union.

Mayor Thompson's program, which was turned down by the Republican state convention, had the approval of members of the legislature. Most of the proposals which it includes are patriotic and in harmony with Republican party ideals.

However, this does not apply to the section concerning the selective service act and its purpose. It is not surprising that Representative Searcy, a veteran of the war, voted against the program.

Wholesale grocers in convention have declared that the tremendous freight increases form a serious menace to their business and greatly affect living costs in a large area. If present freight prices are to continue they will inevitably increase the right tonnage handled by auto trucks and with hard roads coming the truck line will compete more and more with the railroads, just as the interurbans took the business from the railroads.

Boys' work was again suggested at the district Rotary conference in Peoria as one of the most important things on the Rotary program. For several years this line of work has been one of Rotary's chief activities, and it is interesting to note that with the growth of the organization comes a greater interest in this work with the constant development of new ideas and a keener understanding of its possibilities.

Rotary clubs by no means have a corner on this work with boys' movement, for many organizations are genuinely interested in it as men come to a keener understanding of the relationship between the boys' work of today and the citizenship of a few years hence.

J. Ogden Armour, in commenting upon the government's order for the disposition of the stockyards ownership, expressed entire willingness to conform to government requirements, altho doubting the benefit of the plan. Mr.

Armour gave this bit of philosophy, which has probably not come to the minds of many people:

"If we are wrong and either or both—producers and consumers—are benefited, we will be glad, because anything that is really beneficial to them in an economic way is beneficial to us."

Postmaster General Hayes' order, whereby mail clerks at some points are armed with shotguns, recalls the pioneer days when mail was carried by stage coaches and heavily guarded. But that is a sensible order on the part of the postmaster general, as it is the proposal to have United States troops constantly on guard in Chicago at stations where registered mail is received or distributed. The continuation of mail robbery and the loss of millions has justified the arming order given and the proposed program of super-guardsmen.

The message of President Harding suggested several lines of action which, carried into effect, might reasonably be expected to increase the price of products from the farms. Nevertheless the day after the message was delivered saw further depression of grain prices.

These prices are now depressed to a point below the cost of production and so out of line with other prices that few who study conditions and markets are able to understand why the bottom has not been reached and the period of recovery begun.

Regular business meeting Veterans of Foreign Wars. Members are urged to be present, Woodman hall, 8 p. m., tonight.

THE SPRING VACATION
Jacksonville schools closed yesterday afternoon until Monday morning. This is the regular spring vacation that the board of education authorized and will be greatly enjoyed by both teachers and pupils.

Regular business meeting Veterans of Foreign Wars. Members are urged to be present, Woodman hall, 8 p. m., tonight.

LICENSED TO MARRY
Oliver Mack, Jacksonville; Ellen Taylor, St. Louis.
William E. Douglass, Franklin; Lila M. Seymour, Franklin.
John Gillis, Springfield; Blanche Hungerford, Murrayville.

See the line of trunk and bags in our east window. T. M. TOMLINSON.

HARRISBURG MAN
ROTARY PRESIDENT

GREAT THROG AT ANNUAL DISTRICT CONFERENCE

Boys' Work Major Theme in Discussion—Next Meeting Will Be Held in Decatur.

PEORIA, Ill., April 13.—Charles Taylor of Harrisburg, Ill., was elected governor of the Twelfth Rotary district by acclamation at the opening session of the annual district conference, rules being suspended that his election to the post might be the first action taken by the delegates. He succeeds Emerson C. Fisher of Rock Island.

Decatur was then picked by acclamation as the site of the 1922 conference.

Emerson C. Fisher of Rock Island, retiring governor, in his address this morning, urged all the clubs to pay special attention to boys' work.

"Rotary is solid on boys' work," he said, "and it is now up to the individual clubs to make the best of these activities. Rotary must help to answer the call for a better type of citizenship, must see that the best ideals are set before rising Americans."

Other speeches were made by Albert S. Adams of Atlanta, Ga., past international president of Rotary; E. B. Hazen, president of the Peoria club; Peter Harvey of Chicago; O. B. Dobbins of Champaign; Dr. James L. McConoughy, president of Knox college, Galesburg.

Special trains from Chicago, Springfield, Rock Island, Jacksonville, Canton and other places brought in large delegations until by noon today, 1,600 Rotarians and 400 of their wives were here for the conference.

The conference closes tonight with the governor's banquet at the Shrine Temple.

Standing committees were announced by Governor Fisher with the following chairmen: Election, Wilson P. Hunt, Moline; resolution, Oscar Wilson, Rockford; credentials, A. J. Mielke, Danville; conference, P. G. Renwick, Peoria; and constitution and by-laws, Maurice Lennon, Joliet.

Lawn mowers sharpened and adjusted. Call for and delivered for one dollar at Kellogg Bros. & Co. Bell, 279; Ill., 263.

CONTESTANTS FOR HIGH SCHOOL MEETS

Those Who Will Represent J. H. S. in Western Illinois and Illinois College Interscholastic Were Chosen.

Representatives of Jacksonville High school in the contests in declamations and musical contests in the Western Illinois and Illinois College Interscholastic high school meets to be held in May were selected Wednesday night.

Tryouts were held in David Prince auditorium and some excellent talent was entered. During the program a number of selections were given by a quartet composed of Eunice Hearle, Clara Smith, Ruth Reynolds and Lois Harney.

In the declamation contest Miss Elizabeth Scott was chosen to represent the school. Lyndall Conboy was selected for the violin contest. Miss Clara Smith for piano and Lois Harney for voice. The tryouts were heard by a large audience of students.

Lynnville M. E. church market begins Saturday 10 a. m. E. H. Ranson Garage, South Main street. All kinds of eatables on sale.

Births

Born to Mr. and Mrs. L. E. Davis near Franklin Wednesday morning a son.

TODAY

A Wonderful Sea Picture—An All-Star Cast, in

PARTNERS
OF THE TIDE

Adapted from the Great Novel by Joseph C. Lincoln. You will see a death-grapple beneath the waves, a full-gigged schooner sunk at sea, another sturdy craft destroyed by fire—intrigue, humor, heart-interest, and a charming love tale. These are the elements woven into this master production.

Admission, all seats, 15c Plus War Tax

Also a Century Comedy, "Vamps and Scamps," featuring Zip Monty and the Century Bathing Beauties, and a good western, "The Fighting Actor," featuring Art Acord.

Admission, all seats 10c Plus War Tax

Social Events

Loyal Women's Class

Had Supper Monday Night. The Loyal Women's Class of Central Christian church had the regular April meeting at the church Monday evening. This is one of the largest and most active classes in the church and there were fifty members present at this meeting. The subject of the evening was "The Loyal Women's Class," which was presented by Miss Jessie Parson acted and took as the subject, "Africa." Papers were read by Grace Bailey and Glenna Ray. After the business session the evening was spent in playing rummy. Delicious refreshments were served by the hostesses, Miss Yancy and Pearl Drake. The next meeting will be held with Grace Bailey as hostess and Mae Kendall as leader.

Baptist Aid Society Met

The Pastor's Aid society of the First Baptist church met yesterday afternoon in the church parlors. The hostesses were the members of Circle No. 3, of which Mrs. C. H. Story is the chairman. A short but very enjoyable program had been planned. Two delightful readings were given by Mrs. E. O. Mayer and Mrs. G. W. Ward. Mrs. Charles Kopper sang a solo, which was also much appreciated. Following a business session a peasant social hour was passed and the hostesses served refreshments.

Miss Belle Mehus Hostess At an Afternoon Tea

Miss Belle Mehus of the faculty of the College of Music was hostess at a delightful tea given in Phi Nu hall yesterday afternoon. The tea was given in honor of her sister, Miss Alma Mehus of Chicago. A large number of ladies from the city, as well as Miss Mehus' college friends were on the guest list.

Miss Mehus was assisted by Miss Black.

Miss Miller poured and a number of Miss Mehus' pupils served tea.

Preceding the social hour, Miss Alma Mehus delighted her guests by playing a program of five numbers in Music Hall. The program was as follows:

Maestoso and Allegro, op. III—Beethoven.
Fugue in E Minor—Bach.
Etude in D Flat Major—Liszt.
Etude in C Sharp Minor—Chopin.
Scherzo in B Flat Minor—Chopin.
Miss Mehus is young in her profession and very young in years, yet she plays like a seasoned veteran. The enormously big tone that she draws from the instrument is satisfying in its wholeheartedness. But a big tone is only one of the many features of her playing that mark her as a coming piano player. Velvet fingers that ripple over the keys, a beautiful singing tone and great speed are hers.

She presented a program of solid and great piano music, playing quietly, without mannerisms, and with perfect confidence.

She is already well known in Chicago as a professional pianist and it is to be hoped that she may later appear here professionally. Miss Mehus' friends are greatly indebted to her for the opportunity of hearing this gifted young sister.

Young Woman's Guild Met

The Young Woman's Guild of the Congregational church met yesterday afternoon in the guild rooms at the Pilgrim Memorial. Mrs. H. L. Caldwell was the hostess at the meeting. The afternoon was spent in sewing for the bazaar, which the young ladies are planning to hold soon. After a short business session, a pleasant social hour was spent and dainty refreshments served.

History Class Studies Shaw Play

The History Class met Wednesday afternoon at the home of Mrs. E. P. Brockhouse, on West College avenue. The subject of the day was "Major Barbara," a comedy by Bernard Shaw. Mrs. Ellen Merrill led the discussion and several club members took part. The play was reviewed and some excellent criticism was given. After the discussion a pleasant social hour followed and the hostess passed dainty refreshments.

Miss Sandberg Entertained Whist Club

Miss Irene Sandberg entertained members of the Whist club yesterday afternoon in the blue room of the Peacock Inn. There was a blazing fire in the grate and a bowl of bright tulips added to the charming effect of the room.

There were three tables of whist and after the hours spent in playing a dainty luncheon was served.

Card Party for Miss Sargent

Miss Gladys Sargent was the honor guest at a card party given last evening by Miss Lulabel Hill and Mrs. Roy Mawson at Miss Sargent's home on Hardin avenue. There were about twenty-five guests present and the evening was delightfully spent in playing "five hundred."

The hostess served a delicious little supper, in the course of the evening. Miss Sargent, in whose honor the party was given, is soon to wed Merrill Newton of Wisconsin.

Parent-Teacher Meeting Is Held

The Parent-Teacher association of the Lafayette school held its regular monthly meeting Wednesday afternoon in the school building. Dr. Josephine Milligan was the speaker for the afternoon, her subject "Malnutrition of school children, its symptoms, causes and remedies. She dwelt upon the necessity of proper food and method of preparation, and the forming of correct habits in eating. She emphasized that plenty of fresh air and sleep as well as exercise are imperative in the growth and development of children. A very interesting and entertaining part

of the program was a violin solo by Harold Wright, with Fred Meyers at the piano, both of the State School for Blind, and cornet solo by Charlie Cowling. After the program a social hour followed when refreshments were served.

Ashland Christian Church Girls Meet

The Circle girls of the Christian church held their regular meeting at the home of Miss Edna Yancy Tuesday evening, with 18 members present. Three new members were added to the Circle at this time. The leader being absent, Miss Jessie Parson acted and took as the subject, "Africa." Papers were read by Grace Bailey and Glenna Ray. After the business session the evening was spent in playing rummy. Delicious refreshments were served by the hostesses, Miss Yancy and Pearl Drake. The next meeting will be held with Grace Bailey as hostess and Mae Kendall as leader.

Wednesday Class At Applebee Home

The members of the Wednesday class were entertained yesterday afternoon by Mrs. A. B. Applebee, at her home, west of the city. Mrs. E. S. Hayden had the afternoon's discussion on current news of the day. A very interesting report of world happenings was given, and among other things the Versailles treaty was discussed. After the program the hostess served delicious afternoon tea.

Ladies Aid Met Wednesday Afternoon

The Ladies' Aid society of Liberty church met with Mrs. Bert Killam Wednesday afternoon at her home on Park street. There were fifteen members present besides six visitors. During the business session it was voted to hold a market Saturday, April 23rd. After the business session a musical program was given.

Vocal Solo—Mardelle Killam. Vocal Solo—Mrs. Allan McCullough.

Vocal Solo—Louise Zachary. Vocal Duet—Mrs. Fount Andrews, Jr. and Mrs. Allan McCullough.

After the program delicious refreshments were served by the hostess. The next meeting will be held on May 11, with Mrs. Ellen Killam on Webster avenue.

Sinclair Country Club Met With Mrs. Lester Martin

The Sinclair Country club met with Mrs. Lester Martin Wednesday afternoon with a goodly number of members and several guests present. In the absence of the president, Mrs. Harry Martin, the vice president, Mrs. Frank Green presided.

Two papers were presented during the afternoon which proved of great interest. Miss Anna Mae Wilson presented one on Edwin Wild flowers and Mrs. Edw. Wild Birds. The members responded to roll call by telling of birds seen.

A social hour followed the program and the hostess served refreshments. The next meeting will be held with Mrs. Louis Ward, April 27.

Catholic Ladies' Aid Met Wednesday

Mrs. H. G. March, 604 Jordan street was hostess to the Catholic Ladies' Aid Wednesday afternoon, with sixty-five members present. An unusually long business session was held at this meeting. Arrangements were gotten under way for an entertainment to be given in the near future. A social hour was enjoyed after which delicious refreshments were served. Admittance followed to meet at the home of Mrs. John Clary 816 West North street, Wednesday, April 27.

Brooklyn Church Ladies Held Meeting

The Ladies' Aid of Brooklyn church held a social and business meeting Wednesday afternoon at the church. Delicious refreshments were served and a short program rendered consisting of a reading by Mrs. Bassarte and Mrs. Bond. The remainder of the afternoon was spent in quilting.

Funerals

The funeral of Mrs. Margaret McAssey of Winchester, was held Wednesday morning at 9 o'clock in St. Mark's Catholic church at Winchester. High mass was celebrated by Rev. Father J. J. Murphy of Decatur, a brother of the deceased, Deacon Rev. Father Cahill of Jacksonville and Father Bell of Winchester. Visiting priests were T. J. Hickey of Springfield, uncle of the deceased, Father Costello of New Berlin and Father Costello of Greenfield. The pallbearers were: George Hogan, Charles D. O'Donnell, John O'Donnell, Edward O'Donnell, James O'Brien and Luke Maloney.

There were a great many friends and relatives present at the service. Flowers were cared for by friends. Burial was made in the Catholic cemetery at Winchester.

WITH THE SICK

Miss Nellie Parks of the force of Woolworth & Co., is a patient at Passavant hospital following an operation. She is improving in a satisfactory manner.

Little Bobby Donovan, 4 years old son of City Mail Carrier Donovan has been quite sick with double pneumonia, is getting along nicely at the home of Nurse Mrs. Katie Cosgriff Keonig.

STATUS OF WHITE HALL COMMUNITY HIGH

Not Adverse to Ultimate Realization of Needed Facilities—District School Election Next Saturday.

White Hall, April 12.—The status of the White Hall community high school, growing out of the election of two members of the board last Saturday, is not necessarily adverse to the ultimate realization of the needed high school facilities. The rural vote greatly preponderated in the election, resulting in the success of the ticket in opposition to the candidates who sought re-election. Nearly every county in the state is experiencing difficulty in securing the co-operation of the rural voters in establishing high schools under the new community act.

At White Hall the adverse sentiment largely grows out of a feeling that the proposition was first submitted and carried by methods that did not permit the rural voters to have a voice, and again the biggest opposition comes from providing too elaborate facilities. In most other sections of the state the opposition is opposed to such school facilities in toto, and with continued opposition asserting itself there is likely to be action by the state legislature looking to the adoption of the county unit school system, such as was adopted by Missouri early this year to become effective next July, Missouri being the twenty-third state to adopt the county unit.

This provides for a board of education of six members in each county, of which the county superintendent of schools is the chairman. In Missouri, as in other states, the opposition to the bill, came from sections mostly benefited and where the betterment of the schools is most urgent. By way of the tax raised in St. Louis, St. Joseph and Kansas City goes to the support of the needy counties, such as are found in the Ozark regions, while the most bitter opposition came from those regions, while the support from the cities mentioned was unanimously in favor of the bill. The illiteracy test growing out of the organization of the army for the World War revealed astounding illiteracy, a classification of which disclosed the most pronounced illiteracy to exist in the mountain regions of the south and in the slums of the great cities of the north. These revelations of the military records have caused school authorities all over the country to scent the need of better and more school facilities, and there will be no laxity in their efforts in combatting opposition that seems to be so pronounced in the rural districts.

At the community school election last Saturday a total of 1,170 votes were polled in three hours, 6 1-2 votes per minute. There was a very light town vote, the voters coming in from the rural districts and swarming the polls by the opening hour, 1 o'clock. There will be a district school election next Saturday to select a president to succeed Louis Lowenstein and two members to succeed Dr. R. A. Hamilton and L. B. Ballow. It is believed that these gentlemen will be re-elected without opposition.

Fay G. Smith is in Northern Illinois and O. H. Wilder in Central Illinois this week, both on business for the Cloverleaf Insurance Co.

A woman's exchange will be held at Graham Hardware store Saturday, 16th.

IS THIN WATERY BLOOD RUINING YOUR HEALTH?

AND SAVING YOUR BODY AND MENTAL VIGOR, LEAVING YOU WEAK, NERVOUS AND IRRITABLE AND MAKING A FAILURE OUT OF YOU?—HOW TO TELL.

If you suspect you may be suffering from iron starvation, do not wait until you go all to pieces and collapse in a state of nervous prostration or until in your weakened condition you contract some serious disease, but consult your family physician and have him take a specimen of your blood and make a "blood count" of your red blood corpuscles or test the iron content of your blood yourself by adding plenty of spinach, carrots, or other iron-containing vegetables to your daily food and take organic iron like Nuxated Iron with them for a while and see how much your condition improves.

Thousands of people have surprisingly increased their strength, energy and endurance in two weeks' time by this simple experiment. But in making this test, be sure the iron you take is organic iron—Nuxated Iron—and not a metallic or mineral iron which people usually take. Organic Nuxated Iron is like the iron in spinach, lentils and apples, while metallic iron is iron just as it comes from the action of strong acids or small pieces of iron. Nuxated Iron represents organic iron in such a highly concentrated form that one dose is estimated to be approximately equivalent (in organic iron content) to eating half a quart of spinach, or one quart of green vegetables. It is like taking pounds of meat. Beware of substitutes. Look for the word "Nuxated" on every package and for the letters N. I. on every label. Your money will be refunded by the manufacturers if you do not obtain perfectly satisfactory results. For sale by all druggists.—Adv.

RE-ELECT JUSTICE THOMPSON

(Chicago Tribune) A Supreme Court Justice is to be chosen by voters of the Fourth Judicial District on June 6. The incumbent, Mr. Justice Floyd E. Thompson, has proved his fitness for the place he fills.

The sound principle which the Tribune follows in recommendations for judicial elections applies clearly to Mr. Justice Thompson's case. It is to the public interest to retain on the bench men who have demonstrated their ability and reliability in judicial office and who have acquired the experience essential to competent and expeditious dispatch of business. Judges, though elected from time to time and therefore subject to recall by the voters, should not be subject to the exigencies of party politics. They should be retained in office when fit in order that the administration of justice and the interpretation of the laws shall have the benefit of experience and consistency.

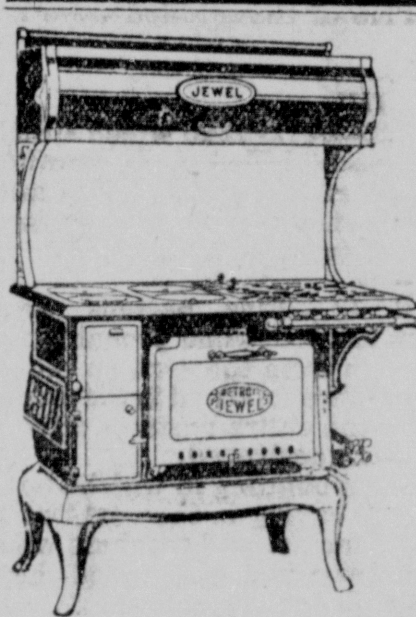

This principle is of special force in application to our Supreme Court, upon which rests the chief responsibility for the orderly evolution of our legal system and the consistent interpretation of the law. The Supreme Court should not be invaded by politics. It should not be frequently or unnecessarily changed as to personnel.

Justice Thompson has proved himself an industrious and competent member of the Supreme Court and should be retained not only because good service should be rewarded but because sitting judges, unless special circumstances intervene, should be preferred to new and untried men. The office, furthermore, is not partisan and both Democrats and Republicans should give Justice Thompson preference. (Political Advertisement)

FRANKLIN PEOPLE MARRIED WEDNESDAY

Miss Lila Seymour IS Bride of William Douglass—Both Well Known Residents of County.

The marriage ceremony for William E. Douglass and Miss Lila M. Seymour of Franklin was performed at 2 o'clock Wednesday afternoon by Rev. E. L. Pletcher at his residence on West College avenue. The ceremony was witnessed by Mrs. Catherine Seymour, mother of the bride, and Miss Mary Lucille Douglass, daughter of the groom.

Mr. and Mrs. Douglass left for Chicago on the 2:30 Alton train and will spend a week there with relatives, before returning to their farm home two miles west of Franklin.

The bride as the daughter of Mrs. Catherine Seymour is a member of a family long prominent in Franklin precinct. She is a graduate of the Woman's college and a young woman whose admirable qualities have given her the friendship of many people, who join now in extending their congratulations and good wishes.

Mr. Douglass, who is a son of Alexander Douglass, also a well known resident of the southern part of Morgan county, has spent practically all of his life in Franklin precinct and enjoys the confidence and esteem of all who know him. Mr. Douglass has been for a number of years a successful farmer and is known as one of the substantial men of his home community.

SEEKS TO COMPEL ROAD IMPROVEMENT

Thomas Entrikin Brings Mandamus Proceedings on Account of Alleged Poor Roadway Conditions.

A petition for mandamus was filed Wednesday in the office of Circuit Clerk Wanamaker, by J. O. Priest, as attorney for Thomas P. Entrikin and against Thomas McGrath, commissioner of Road District No. 11. The action also includes the county commissioners as defendants. The purpose of the petition is to compel improvement on a certain roadway located in section 35, township 13, range 10.

It is set forth that there are seven or eight families residing in the immediate neighborhood of the petitioner who are interested in having this roadway put into proper condition for travel. It is said that the road is broken by various sloughs and ditches which require bridges and that such bridges will cost approximately \$300. Grading and draining are also necessary to put the road in passable condition.

The petitioner says that he has made complaint but that little or no work has been done upon that road. He alleges as a further reason why the road is needed that a school house is located near the east end of the road and that children who go to school constantly use this road.

BIRTHDAY SOCIAL AT ALEXANDER CHURCH

The April birthday social of the ladies of the Alexander M. E. church was held Wednesday afternoon, the hostesses being Mrs. Harold Strawn, Mrs. K. V. Beer-up, Mrs. Noel Wiley and Mrs. J. T. Little. There was a large attendance and a very interesting program was carried out. Refreshments were served during the afternoon. The session was somewhat shortened on account of the threatening weather conditions, as many of those in attendance were residents of the country, and were anxious to reach home before the rain came.

Mrs. Orpha Kendall Holstrom, soprano; Ebba Sundstrom, violinist; Lois Baptiste Harsch, pianist, I. W. C. Music Hall this evening, 8:15 o'clock. Tickets may be secured at the door.

DIVORCE SUIT FILED.

A suit for divorce was filed in the office of Circuit Clerk Wanamaker by Mrs. Ida Sweeney, who is seeking legal separation from her husband, James Sweeney. The husband is charged with repeated and extreme cruelty. Mr. and Mrs. Sweeney were married in December, 1900, and lived together until February of the present year. They are the parents of ten children.

BETTER THAN CALOMEL

Thousands Have Discovered
Dr. Edwards' Olive Tablets
Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they clear clouded brain and perk up the spirits. 15c and 30c a box.

Drug Store Complexions

A good complexion is not a matter of putting something on the face, but of putting the blood and the feminine organs in healthy condition. No woman can have a fair skin if her health is undermined with drains, pains and nervousness. More real complexions have been secured by using Dr. Pierce's Favorite Prescription than by all paints and powders combined. It makes sick women well, and well women are always fair to look upon. Remember that the latest fashion is a natural complexion. Send 10c to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for pkg. Favorite Prescription Tablets.—Adv.

Many Skin Troubles Defy Lotions, Liniments and Ointments

When you rub a lotion on an itchy skin disease you seldom strike at the cause of your trouble. Generally you are merely treating the symptoms of a deeper disorder. Many sealy, pimply eruptions are caused by impurities in your blood. Internal medicines that will drive out the impurities will help such outbreaks, whereas external remedies, which do nothing for the blood, give you only short relief.

When you break out with pimples or rash, depend on it, your blood stream is likely to be infected with poisons that should have been cast out of your system. Such impurities cause many eruptions.

If you are afflicted with this, start right now taking S.S.S., the old Indian blood remedy compounded of herbs while they are yet fresh with the strength in them. This medicine has given splendid results to skin sufferers for more than fifty years.

Get S.S.S. from your druggist today, and after you have started taking it write a complete history of your case to Chief Medical Advisor, 834 Swift Laboratory, Atlanta, Georgia. We will send you individual advice free.

Brunswick
PHONOGRAPHS AND RECORDS

Why the Brunswick Phonograph Is What It Is—

While we rely entirely on the inherent merit of the BRUNSWICK to prove its own case, as it has always done—yet, it is a source of great satisfaction to occasionally reflect on the wonderful organization and resources back of it which has not only been responsible for the present unique position of esteem in which the instrument is universally held, but which also furnishes us and our clientele of BRUNSWICK owners with the satisfying assurance that the BRUNSWICK will always be the most desired of all phonographs.

A FEW FACTS CONCERNING THE MANUFACTURERS OF THE BRUNSWICK PHONOGRAPH

They are capitalized for \$50,000,000.00.

- have branch offices in twenty-five cities in the United States
- five in Canada, one in France, one in Cuba and one in South America.
- operate their own timber lands in Northern Michigan.
- make every part of the BRUNSWICK PHONOGRAPH in its entirety.
- are the only phonograph manufacturers in the United States, and we think, the only one in the world, that actually does this.
- have at the present time seven factories devote to the manufacture of phonographs and parts, and two factories to the pressing of records.
- cut their own veneer logs and slice their own veneer.
- manufacture their own panels and are just completing a plant to manufacture shipping cases for their phonographs.

Ponder over these facts and you will readily discover the reason of our enthusiasm for BRUNSWICK Phonographs and Records.

HEAR, THEN COMPARE

The way to fully appreciate the superiority of the BRUNSWICK is to hear it, then make comparison. Your ear will quickly decide in favor of the BRUNSWICK.

OFFICERS INSTALLED BY ELKS LAST NIGHT

Jacksonville Lodge New Officers Inducted Into Office—Candidates Initiated and Entertainment Enjoyed.

Jacksonville Lodge No. 682 B. P. O. E. installed officers for the ensuing year at the regular meeting held Wednesday evening.

Five candidates were initiated into the order and a supper followed. Music was furnished during the evening by Dunlap's orchestra and the quartet appearing at the Grand also gave a number of selections which were greatly enjoyed.

The installing officer was H. K. Chenoweth and the new officers are:

Exalted Ruler—Paul Moriarty.
Esteemed Leading Knight—H. L. Caldwell.
Esteemed Loyal Knight—Harry Timmons.
Esteemed Lecturing Knight—J. R. Reynolds.
Secretary—E. P. Alexander.
Treasurer—M. W. Osborne.
Trustee—F. L. Sharpe.
Delegate to National convention at Los Angeles—T. C. MacVicar.
Tyler—John Ross.

The candidates receiving the work were: John T. Walbridge, Matt Wagner, Henry Mosely, W. T. Richardson and R. Johnson.

CAPITOL KIDDIES ROMP ON WHITE HOUSE LAWNS AS EASTER EGG FETE IS REVIVED

Thousands of Washington children and their parents took possession of the White House lawns on Easter to take part in the greatest Easter-egg rolling Washington has ever seen. It was a revival of the annual fete after four years. Great crowds poured down every street, the kiddies armed with baskets of colored eggs, to the White House lawns, and held sway throughout the day. President and Mrs. Harding greeted the merry-makers from the porch of the White House.

H. F. CHUBBUCK HELD UP BY HIGHWAYMAN

Bandit Took Watch and Money—Then Drove Away in Victim's Car.

(Peoria Transcript.)

Police and detectives early today were searching every section of Peoria and the entire countryside for clues to a bandit who late last night held up and robbed H. F. Chubbuck, vice president of the Illinois Traction System, and G. W. Lusk, his son-in-law, assistant to the traffic manager of that line, and then made a getaway in Mr. Chubbuck's automobile after making death threats unless they gave him the car.

The robbery occurred just at the top of Grand View Drive. Mr. Chubbuck and Mr. Lusk were on their way to their home at 235 Grand View Drive when the highwayman stepped quickly out from the shadowy recesses of the road. Before Mr. Chubbuck or Mr. Lusk were aware of his approach the bandit leaped to the side of their car and thrust an automatic revolver inside.

Steals Their Car

While the bandit covered them with the gun he ordered Mr. Chubbuck and Mr. Lusk to throw up their hands. After searching the machine the bandit took \$30 and a gold watch from Mr. Chubbuck and some change from Mr. Lusk. Still menacing them with the gun the bandit ordered Mr. Chubbuck and Mr. Lusk to get out of the car. As they stepped from the machine he jumped into the car and drove rapidly down Grand View Drive toward Averbille after ordering them to go in the opposite direction.

Police were at once notified of the robbery and automobile squads began a search for the bandit which continued without success until a late hour today. Sheriff's officers were also enlisted in the search and the police of surrounding towns were notified to be on the watch for the bandit. It is believed he made his escape to

H. F. CHUBBUCK HELD UP BY HIGHWAYMAN

the Tazewell county shore where his capture would be made more difficult.

The car which was taken from Mr. Chubbuck is a Ford Sedan. It is a 1920 model.

R. R. BOARD TRIES TO CLEAN SLATE

Would Clean Up Important Cases Before Expiration of Terms of Three Members.

(By The Associated Press)

Chicago, April 13.—The railroad board is making a final attempt to clear its slate of a multitude of important cases before the expiration of the terms of three members in April 15, it became known tonight when announcement was made that the general rules hearing had been adjourned until April 25.

The board feels that while the nine members who have served during the year are still together several highly important cases should be disposed of one member said. Rumors that the rules hearing, which will decide the fate of the present national agreements established by the federal railroad administration would be ended summarily and a decision handed down at once were discredited tonight by board members.

The adjournment was taken, it was said to enable the retiring members to participate in deciding important matters which have been before the board because of the fact that the first big wage reduction case comes before the board next week. More than 25 roads will be heard beginning Monday, in pleas to reduce employees' wages, principally those of common labor.

MUST HAVE FOREIGN TRADE SAYS REDFIELD

NEW YORK, April 13.—Resumption of foreign trade on a large scale is essential for rehabilitation of American industry, William C. Redfield, former secretary of commerce, declared today in an address before the board of trade.

"The situation is growing worse instead of better," the speaker said. "Our harbors are blocked with American goods going to waste, while abroad our goods are badly needed. I believe the internal policy in regard to foreign trade is partly to blame."

Mr. Redfield recommended support of organizations.

J. Howard Whitehouse, former member of the British parliament, said that if the industrial disturbance in England developed into a strike of workers it would be a big and disastrous struggle. He added that he considered the situation the most serious in the history of Great Britain.

PRINCESS WILL NOT GO TO POTSDAM

Doorn, April 13.—Princess Victoria Luise will not go to Potsdam to attend the funeral of the former empress but will return to Doorn with her father and former crown prince Frederick William.

Prince Eitel Fredericks arrived here today.

NEW ENGLAND LINES TO ELIMINATE TRAINS

New York, April 13.—Elimination of some less important passenger trains on the New Haven and Central New England Lines of the New York, New Haven & Hartford railroad effective April 24, was announced here today.

"Impossibility of continuing under present conditions of revenues and expenses," was given as the reason.

HOTEL BURNS IN CALIFORNIA

Santa Barbara, Cal., April 13.—The Ambassador Hotel here, one of the largest hostels in the west caught fire shortly after 3 o'clock this afternoon and firemen said it probably would be totally destroyed. A high wind was blowing. No casualties have been reported.

CANTON MAN HELD FOR MURDER

Chicago, April 13.—Thomas Miseltus of Canton, Ill., was ordered held to the grand jury today on a charge of murder by a coroner's jury at the inquest into the death of Mrs. Ella Sapp, recently found with him in a hotel room with a fatal bullet wound in her head. Miseltus shot himself but recovered.

PENN EMPLOYEES DECLINE WAGE CUT

(By The Associated Press)

PITTSBURGH Pa., April 13.—In declining today to accept the management's proposals to reduce wages, representatives of the train yard service employees of the Pennsylvania Railroad company requested that the question be referred to the joint reviewing committee of the system. The road's representatives replied that the management was in hearty accord with the plan.

Wage reductions, suggested today by the managers for the train service workers, numbering \$5,000 approximated \$1.00 a day.

The management also asked that punitive overtime in all service paying road freight rates be abrogated.

WILL TEST NERVE OF ALLEGED BAD MEN

CHICAGO, April 13.—An opportunity to prove their assertions that they are bad, nervy men and not afraid to die will be given four men now in the county jail sentenced to be hanged Friday for murder.

Jailer Lee plans to test their nerve. He cannot hang them all at one time, so he said today, he will ask for volunteers for first chance at the noose.

The four men are Sam Cardinella, Antonio Lopez, Joe Costanzo and Sam Ferraro.

Cardinella today objected to being executed under daylight saving time.

"When am I going to be hanged?" he asked Assistant Jailer Meisterheim.

"Friday morning at 8 o'clock," said Mr. Meisterheim.

"Central, Standard or Chicago time?" pursued Cardinella.

"Chicago time," replied Meisterheim.

"It's in Chicago you're going to be hanged."

"Yes," said Cardinella, "but I was sentenced before the time was changed. This re-arrangement of the time deprives me of an hour of life. The governor can change his mind in that time. While there's life there's hope and I intend to stay alive just as long as I can."

The jail officials changed the time to 9 o'clock.

PRINTER TRIES TO BURN HIMSELF UP

MORRIS, Ill., April 13.—John Stinchman, deaf and dumb, employed by a newspaper here, was severely burned about the face and head today when his celluloid eye shade caught fire as he was lighting a cigar. Unable to cry out, the accident passed unobserved until a fellow worker glanced up and saw Stinchman's hair in flames.

ADVOCATE BUREAU TO GIVE INFORMATION

Chicago, April 12.—A centralized bureau to give information concerning price and trade conditions and methods was urged by W. P. Moore of Sioux City, Iowa, at a meeting of Illinois wholesale grocers today. Mr. Moore advocated a committee on management which would create a program of enlightenment for the wholesale grocers.

NEWSPAPER MAN DIRECTOR OF PUBLICITY

New York, April 12.—Appointment of Richard Lathicum of the editorial staff of the New York World as director of publicity of the Democratic national committee was announced here today by George White, committee chairman. Mr. Lathicum formerly was associated with several Chicago newspapers.

FURNITURE FACTORIES ARE NEARLY NORMAL

Chicago, April 13.—George G. Whitworth of Grand Rapids, Michigan, today at a meeting of the National Alliance of Case Goods associations, composed of manufacturers of bed room and dining room furniture. Reports were presented to show that the industry was operating at approximately 33 1-3 per cent of normal.

FARMERS SHOULD BUILD UP GOOD ORGANIZATION

This is Opinion of Secretary of Agriculture Wallace

MAKES ADDRESS BEFORE AMERICAN FARM BUREAU

(By The Associated Press)

WASHINGTON, April 13.—Farmers should build up an organization, capable of presenting facts to congress on matters affecting agriculture, Secretary Wallace declared today before the conference here of the American farm federation bureau.

Mr. Wallace deplored the complaints some time heard that appropriations for agriculture are in the nature of subsidizing a class, since they are for the benefit of the farmers. Such appropriations are actually more for the benefit of the consumers in the long look ahead, than for the farmers, he said.

The conference also was addressed by W. S. Culberson, a member of the tariff commission.

During the day Chairman McFadden of the house banking and currency committee announced that examination of the financial support of farm organizations begun in the last session would be continued.

The executive committees of the National Milk Producers' association and of the National Grange met here today in preparation for the joint meeting tomorrow of a number of farm organizations which will endeavor to agree upon a common legislative program for submission to congress.

BIG LEAGUERS ARE A WAY TO FLYING START

Cubs Win Opening Game For Evers

Bunch Hits in Fourth Inning for Victory — Alexander Pitched Fine Ball, But Weakened in Seventh, Allowing Two Runs.

CHICAGO, April 13.—Chicago's Cubs, playing their first game for several years under the management of John J. Evers, ushered in the major league season today with a 5 to 2 victory over the St. Louis Nationals. Consistent hitting by the Cubs in the fourth inning clinched the game. Haines weakened and was pounded for five hits in this inning, one a home-run drive over the right field wall by O'Farrell, with a man on base.

For six innings Alexander pitched in great form, allowing only one hit. In the seventh, the cold weather affected his arm and he was touched for three hits, including a double by Fournier, which saved the visitors from a shut-out.

Baseball Commissioner Landis said after the contest: "Well, it was a mighty good, clean game." Numerous gifts of flowers and a loving cup were presented Man-

ger Evers. A detachment of marines raised the stars and stripes, while a band furnished music for the occasion. More than 20,000 persons attended, despite the chilly air.

CRIPPLED BOY HAS
GREAT MENTALITY

Phoenix, Ariz., Lad Delivers Ad-
dress at Dedication — Also Ex-
pert in Wireless Telegraphy.

Phoenix, Ariz., April 13.—John
Houston, 14 years old, and bed-
ridden, has been pronounced by
high medical authorities as pos-
sessing the most remarkable men-
tality they have known in any
child. At the age of 3 years and sev-
en months, John delivered an ad-
dress at the dedication exercises
of the Coliseum in Dallas, Texas,
reciting 51 verses on the war of
'76. His oration was distinctly
heard by the ten thousand persons
in the audience. Aside from this,
he has taken prominent parts in
numerous public functions and
gatherings, among these national
encampments of the Grand Army
of the Republic.

In the Grand Army of the Re-
public John ranks as brigadier-
general, an honor bestowed by
that organization. He also has a
huge American flag presented to
him by the Spanish-American war
veterans.

In his mother's home he has in-
stalled a powerful wireless ap-
paratus. He supervised all of this
work. Some of its parts are of his
own manufacture. A United
States government license posted
recognizes John as an amateur
wireless telegrapher.

During his "listening in" peri-
ods young Houston has picked up
messages or parts of them from
stations as far away as Naum,
Germany, and he daily hears Mex-
ico City.

Only recently John's mother
telephoned to the office of the
Arizona Gazette inquiring if that
paper had any report of a "bad
vreck near Pueblo, Col." A Pal-
lium had burned, she said, on the
Denver and Mo Grande railroad,
with a heavy loss of life. The As-
sociated Press leased wire only a
few minutes before had brought
in the story almost as John had
heard it through his set from a
distance of approximately 1,200
miles.

ROTARIANS RETURN
FROM DISTRICT MEET

Proud of Enthusiasm Shown
About Address by Rev. M. L.
Pontius.

Jacksonville Rotarians to the
number of forty went to Peoria
yesterday to attend the district
conference. They returned last
night on the Alton Hummer at
11:40. Rotarians to the number
of 1,600 were present from all
parts of the state, and the Peori-
ans had made ample preparations
for the reception of their guests.
The program of the day had its
entertainment features, but sev-
eral serious addresses were given
the most consideration.
M. L. Pontius made a 10-minute
address, taking as his theme,
"The New Day." The Jackson-
ville men had every reason to be
proud that the speaker was a
member of their club, for this ad-
dress was one of the features of
the whole day. The delegates
spent nearly as much time in
cheering Mr. Pontius as he did in
speeching.

EXPECTED TO STAR FOR ATHLETICS
Connie Mack's team is not to be despaired in the coming pennant race,
a experts predict they will considerably improve their rating above
previous years. Jimmy Dykes (1) is said to be one of the best second
basemen in the league, while Joe Dugan (2) is a star at third. Ed
Rommel (3) says Mack, will be a sensation on the mound.

HEAD LOCK WINS
AGAIN FOR LEWIS

CHICAGO, April 13.—Ed
(Strangler) Lewis, heavy weight
champion wrestler, defeated Jim
Londos in a one fall match here
tonight in one hour and 52 min-
utes, using the headlock for the
winning fall. It was one of the
most spectacular matches ever
seen in Chicago, both using every
known hold in wrestling and
thru sheer strength and game-
ness Londos withstood six suc-
cessive headlocks, one lasting
five minutes before he suc-
cumbed.

Londos was outweighed 35
pounds.
Stanislaus Zbyszko defeated
John Pesek of Ravenna, Ne-
braska, in a one fall match in
one hour and 22 minutes.

Yussif Mahmoud defeated Joe
Geshtowt of Chicago in a one
fall match, twelve minutes, 30
seconds.

Browns Capture the First Game of Series

Defeat World's Champions by
Score of 4 to 2—Shocker Holds
Opponents Scoreless Until
Ninth Inning.

ST. LOUIS, Mo., April 13.—
St. Louis got away to a flying
start in the 1921 American Le-
ague pennant race today by de-
feating Cleveland 4 to 2. Despite
intermittent showers about 15,-
000 persons watched the defeat
of the world's champions.

State and city officials partici-
pated in the opening ceremonies.
Governor Hyde pitched the first
ball.

Two wild throws in the third
gave the Browns their first run
and four bunched hits in the fifth
accounted for the other three.

Shocker weakened in the ninth
inning. Smith's home run, fol-
lowed by three singles, gave
Cleveland its two tallies.

Score:

RAIN POSTPONES
SOX-TIGERS CLASH
DETROIT, Mich., April 13.—A
steady drizzle of rain that began
in middle forenoon thoroughly soaked
the playing field and caused a
postponement of the American
League season inaugural today.
Thousands who had hoped to see
Ty Cobb make his managerial
debut in a clash with the Chi-
cago White Sox had found seats
in the park hours before game
time and when the postponement
was announced less than an hour
before the teams were to take
the field a record attendance was
in prospect in the prospect. The
weather forecast for tomorrow is
for more rain.

RETURNS FROM TRIP TO MISSISSIPPI RIVER POINTS
John M. Tun's has returned from a trip to several cities on the Mississippi river, where he went in an effort to find a satisfactory supply of fish for his market here. He was unable to buy the kind of fish that he was seeking. Mr. Tun has previously shipped fish from the Illinois cities, but at this season of the year this source of supply is cut off by the game laws of the state.

TELLS MANNER OF
MAKING GRADES

Information Given Hereunder Is Taken from Jacksonville High School Exhaust.

In a recent number of the J. H. S. Exhaust, the why and wherefore of high school grades was set forth. Following are the reasons why the teachers give E, G, P, W, C and F to the students. This will doubtless help to show the parent as well as the student just why certain grades are received:

- E—1. Dependability in taking assignments and little more. Eagerness to tackle what is difficult.
3. Completion of all assigned work promptly, thoroughly and neatly.
2. Recitation.
1. Questions answered intelligently, without guessing and without help from the teacher in recitation.
2. Assigned work given clearly and thoroughly.
3. Outside information and volunteering expected.
4. Interest shown in class discussions.
5. Written work shows care in wording form, thought, writing, spelling, punctuation and neatness.
3. Attitude:
1. Good position, standing and sitting.
2. Attentive and enthusiastic in class.
3. Respect for the rights of others.
4. Co-operative with the teacher and pupils in making the recitation successful.
5. Good judgment in the use of time.

- G—1. Preparation.
1. Dependability in taking assignments.
2. Willingness to undertake all assigned work, oral and written.
3. Work completed promptly and in good manner.
4. Ability to work without much assistance.
2. Recitation:
1. Questions answered intelligently.
2. Assigned work given clearly.
3. Frequent volunteering expected.
4. Alertness shown in class discussions.
5. Written work shows care in wording form, thought, writing, spelling, punctuation and neatness.
3. Attitude:
1. Good position, sitting and standing.
2. Attention in class.
3. Good team work shown.
4. Time used to advantage.

- P—1. Not constant in daily preparation.
2. Assignments frequently misunderstood or hastily prepared.
3. Only part of work completed at the time set.
4. Some assistance required in getting the lesson.
2. Recitation:
1. Irregular or incomplete answers to questions.
2. Assigned work fragmentary or carelessly given.
3. Little volunteering.
4. Not much interest shown in class discussions.
5. Less care shown in written work.
3. Attitude:
1. Has to be reminded of proper position.
2. Attention and interest not always good.
3. Less regard for team work.
4. Tendency to waste time.

If, because of absence or for some other good reason, a pupil has failed to complete all the required work at the end of the unit, his grade may be withheld (W) until he has had an opportunity to complete the work.

If, for some reason, a pupil who is capable has failed to make a passing grade, he may be conditioned and given a certain time in which to remove the condition. If he fails to make good in the time allowed, his grade will be dropped to F.

GAVE ACROBATIC EXHIBITION
Before a small company of spectators, Billy O'Brien, traveling acrobat, gave an exhibition at the court house Wednesday afternoon. By a pulley and rope O'Brien was drawn almost to the roof of the building and there, hanging head down, disengaged himself from a straight jacket. It was quite an acrobatic feat.

Regular business meeting
Veterans of Foreign Wars. Members are urged to be present, Woodman hall, 8 p. m., tonight.

WILL MEET THIS AFTERNOON
The Passavant Hospital Ladies' Aid will meet this afternoon at 2 o'clock at the hospital.

INVALID SURGEON CUTS BULLET FROM SING SING INMATE'S BRAIN

Dr. William L. Chapman of Brooklyn, N. Y., a noted brain surgeon, recently removed a jagged bullet from the brain of Roman Leondowski, a prisoner Sing Sing, in the hope of restoring his sanity. The operation was performed by Dr. Chapman, himself an invalid, after he had been rolled into the operating room of the hospital in a wheel chair and had been lifted to a stool beside the table on which his patient lay.

Deaths

Cline.
The death of Mrs. Nancy J. Cline, formerly of Mercedosa, occurred in Springfield Tuesday night at the home of her daughter, Mrs. Nellie Cordrey. The deceased was in her seventy-fourth year.

Mrs. Cline's childhood home was near Nortenville and she was born on a farm in that precinct. Her marriage to Luther Cline occurred March 2, 1865, the family home continuing in Harts Prairie for a number of years. In 1890 Mr. and Mrs. Cline became residents of Mercedosa and there they continued to live until October last. In the latter months they have been with their daughter in Springfield.

Mrs. Cline is quite well remembered by a number of Morgan county people and was held in highest esteem by all who knew her. The deceased leaves beside her husband, two daughters and four sons, Mrs. Anna Shapard, of California Mrs. Cordrey, Springfield; Edgar, of Adams county, Ira of Pike county, Albert of Pisgah and Ashland of Mercedosa.

A brief funeral service will be held at the Cordrey residence in Springfield tomorrow morning and there will be more extended services at Union Baptist church near Pisgah in this county. Arthur G. Cody was in Springfield yesterday to arrange the funeral details.

WINCHESTER FUNERAL
LARGELY ATTENDED

Remains of Late Mrs. Margaret McAsay Laid to Rest Wednesday Morning—Other News Notes From Scott County.

Winchester, April 13.—The funeral of the late Mrs. Margaret McAsay was held at 9 o'clock Wednesday morning at St. Mark's Catholic church. The large auditorium was filled with relatives and friends, showing the high regard in which the deceased was held. Rev. Father Bell officiated and Rev. Father Murphy, brother of the deceased, celebrated solemn requiem mass, assisted by Rev. Father Cahill.

The bearers were Charles, Edward and John O'Donnell, Luke Malone, James O'Fallon and George Hogan. Interment was made in the Catholic cemetery. Those from a distance attending the funeral were Rev. Father Murphy, Decatur; Rev. Father Hickey, Springfield; Rev. Father Cahill, Jacksonville; Rev. Father Costello, Greenville; Rev. Father Costello of New Berlin; Sister Xavier and Sister Mary Clare, both of Aurora; Mrs. Fitzpatrick of Peoria.

Mrs. P. R. Nelson returned Tuesday morning from a visit in Chicago.

The funeral of Charles M. Farrington, whose death occurred recently at Our Savior's hospital in Jacksonville, was held at 2:30 o'clock Wednesday afternoon at the Christian church at Glasgow. Rev. L. R. Cronkhite of Lynnville had charge of the services. There were sixty Modern Woodmen in attendance at the funeral and they were in charge of the services at the cemetery.

The deceased was very well known and highly respected in the county and the funeral was one of the largest held in recent months.

Funeral services for the two year old son of Mr. and Mrs. Archie Merriman of Oxtville will be held Thursday morning at 10 o'clock at the home of the parents. Burial will be in Exeter cemetery.

E. L. Balslev and son, John, will leave on the early train Thursday for St. Louis. Mrs. Clarence Taylor arrived here yesterday afternoon from Springfield to visit relatives.

D. O. K. K. CEREMONIAL
TO BE HELD SOON

Committees Expect Large Class of Candidates—Pythianism Grows In Extent and Influence.

Everything is ready for another ceremonial session of Knights of Khorassan. It will be held next Monday, April 18, beginning at 3 o'clock in the afternoon, and continuing until a late hour that night. The hundreds who are members of the local temple are enthusiastic about the work and it is for that reason that a goodly number of candidates always appear for each ceremonial. The program and committees for this event are as follows:

- 3:00 P. M. Business session.
3:30 P. M. Ritualistic work.
5:30 P. M. Tolphi.
6:00 P. M. Banquet.
7:30 P. M. Reinhart Brigands.
8:00 P. M. Eighth Order.
7:22 P. M. Adjournment.

Committees.
Master of Ceremonies—Carl E. Robinson, Frank Bracewell.
Membership—Walter E. Spoons, Alexander Murray, James Guyette, Lee Stice, Lon Barrows, Maurice Peckham, W. V. Shepherd, Roodhouse; George Rehman, Beardstown; W. H. Rohrer, Waverly.

Music—Chas. M. Read, Thomas Drake and Clarence Large.

Reception—John J. Reeve, Otto Burman and Lon Barrows.

Tiger and Program—Jewell E. Scott.

Eighth Order—Walter E. Spoons, S. G. Chumley, J. K. C. Pierson, Fred Jameson, Fred Mounts.

Banquet—C. J. Rataichak, Glenn Cannon and Lloyd Hall.

The Tiger, publication devoted to the interests of Pythianism and the D. O. K. K., is issued "Every little while" by Jewell E. Scott and always contains lodge news and notes of real interest. The April issue has just come from the press and the program and committees as they appear are taken from this publication.

Some other paragraphs from the Tiger are also given:

Pythian Knighthood.
Members of the Knights of Pythias may be interested in a general summary indicating the expansion, strength and importance of this order in the world of fraternal endeavor.

Pythian Knighthood is comprehended in fifty-five grand lodges, or grand domains (states and provinces)—the supreme domain, meaning the order at large, having a total of over 7,000 subordinate lodges and a total membership exceeding 700,000.

The conception of the order has as its basis the exemplification of the test of true friendship that existed between Damon and Pythias—one of the finest and best examples of human friendship the world has ever known. This is the ideal taught in each Pythian lesson, and the order strives to gather into a mighty fraternity men who thoroughly appreciate its true meaning and purpose.

The order's declaration of principles enjoins upon its membership the exercise of caution in word and act; that they shall have respect and practice the truth; be brave in defending right; keep their honor untarnished; that their sense of justice shall prevent any personal act or word injurious to the worthy person; and, above all, that they shall be loyal to principle, to family, to friends, and to their country.

Local Pythian Activities.
Viewing the past years during which we have been closely familiar with Pythian affairs, we cannot recall any time or period when the two local lodges ever enjoyed quite so much activity or prosperity, as during the past winter.

Indeed we are just closing one of the most successful seasons in the history of the two lodges having added nearly 150 new members to the roster, and this inspiration we might say had its origin in the Booster Committee that we enlarge our present quarters and fit ourselves up with fine and commodious club rooms on the second floor and at the same time give us better and larger space in our lodge room.

Since the lodge room has been enlarged we find it very convenient for initiation and entertainments. The entertainments that have been given the past winter have proved very successful and is a very helpful feature to the success of lodge work.

While the lodges do not own their home, we feel that they have the best quarters and the best location in the city.

In the next few weeks the initiation work will be closed until next fall as has been custom in the past, on account of the warm weather which is not very inviting for this work. Those wishing to complete the work should do so at once.

We now have a good assortment of trunks, bags and suit cases at prices that are right.
T. M. TOMLINSON.

FIFTY PRIESTS HOLD MASS FOR LATE DEAN MORONEY

Pana, Ill., April 13.—More than fifty Catholic priests of Alton diocese took part in a "month's mind mass" at St. Patrick's church here yesterday for the late Very Rev. Dean David J. Moroney of the Jacksonville deanery. Rev. J. P. Moroney, brother of the deceased, was the celebrant. Dean Moroney was born in 1859 and was ordained at Alton in 18818.

PLEDGE THEIR AID

Telegram Yesterday Announced Their Subscription of \$2,000 Toward Endowment Fund of College.

A telegram to President Harker of the Woman's College, yesterday, told of the meeting of the Chicago Society of the Woman's college graduates, which has just been held. At this session, which was largely attended by graduates of the college resident in Chicago, a pledge of \$2,000 was made toward the college endowment fund campaign. While this is a generous pledge, it was made plain in the telegram that it was an initial subscription, and so it is not unlikely that before the campaign closes that a substantial additional sum will be given by the members of the Chicago society or others whose interest they enlist in the good cause.

Hear Lois Baptiste Harsch, pianist, winner of the 1919 state contest of National Federation of Musical Clubs.

MATRIMONIAL

Mack-Taylor.
Oliver Mack of this city and Miss Ellen Taylor of St. Louis were united in marriage Wednesday evening at 8 o'clock by Rev. R. H. Hackley, pastor of Bethel A. M. E. church, with only immediate relatives as the witnesses. The bride, who is a very estimable young woman, is a sister of Patrolman Walter D. Taylor of the Jacksonville police force.

Mr. Mack is an experienced mechanic and is associated with Eugene Nashy in an auto repair establishment on South Sandy street.

Following the ceremony a reception was tendered the bride and groom at the home of Mr. and Mrs. F. C. Muse on South Clay avenue. A limited number of relatives and friends were present and the occasion was in every way pleasant.

Ladies' and Gent's fine tailoring. Suits \$35 up. Repairing, cleaning.
FRANKENBERG, N. Main

WILL SPEAK AT PISGAH CHURCH

Rev. Marion Humphreys, Presbyterian pastor, will make an address at Pisgah Presbyterian church Friday evening. Supper is to be served at 7 o'clock to which all members of the church and friends are invited. Afterward Mr. Humphreys will speak on some of the prophecies which are now occupying the best thought and attention of Presbyterianism.

Woman's club members having guests tickets please present them at the I. W. C. Music Hall this evening.

COLONEL IS COMING
TO INSPECT COMPANY

A colonel from the regular army is expected in Jacksonville Wednesday, April 20, to inspect Co. K of the Illinois National Guard, according to announcement made yesterday by Captain Wesley R. James. If the company measures up to requirements in numbers and performance it will be given official approval and be federalized.

The company is already a part of the national guard, but in order to draw pay for drilling work it is necessary to be federalized. When this is done the officers will be paid according to their rank and privates will be paid \$1 for each drill night.

Big reduction of railroad rates! If you are going to travel you will need a good bag or suit case. See our selection before you buy.
T. M. TOMLINSON.

THREE WOMAN'S COLLEGE STUDENTS WIN HONORS

President Harker of Illinois Woman's college, has been notified that the University of Illinois has this year granted three graduate scholarships to seniors of the Woman's college. This list includes Miss Cora Cherry, Jacksonville, Latin; Miss Esther Harker, Kentland, Ind., history; Miss Martha Jane Robinson, Timewell, biology.

It is very unusual for the university to grant more than one graduate scholarship to a single institution and the fact that three have been awarded to seniors of the Woman's college indicates the excellence of the work done by these young women.

Going to Chicago? If you need a bag, suit case or trunk, see our line.
T. M. TOMLINSON.

SUNDAY SCHOOL WORKERS TO CONFER

Wood River Baptists Will Open Convention Here Tomorrow.

The district teachers' institute of the Wood River Baptist Sunday School association will hold a convention at Mt. Emory Baptist church in this city beginning tomorrow. The sessions will continue thru Friday. Mrs. Laura Lafayette, who has long been interested in Sunday school work, will preside.

Sunday schools in colored Baptist churches in Decatur, Petersburg, Springfield, Lincoln, Jerseyville and a number of other cities are included in the district. Served: Mrs. Bertha Hall of Springfield on "Primary Classes." Miss Lillian Oliver of Springfield on "Building a B. Y. P. U." Miss Grace Moore of Jacksonville, "The Value of a Home Department and How to Conduct It." Miss Grace Luqua of Lincoln, on "My Personal Work in Sunday School." Rev. J. C. Roberts on "Advanced Bible Study." Rev. W. Henry Snowden, pastor of Mt. Emory, on "The Pastors and Teachers of the Sunday School." Mr. J. E. Thompson of Springfield on "Sunday School Workers."

There will be sermons preached by the following ministers: Rev. J. D. Haley, Paris, Ill.; Rev. H. H. Dewitt, pastor of Second Baptist church, this city, and Rev. Dr. S. C. Manual of Springfield, his subject Thursday evening being "Justification."

The public is invited.

SPECIAL NOTICE

To stimulate April business we will put on a special Suit Sale Thursday, Friday and Saturday. A liberal cut in price on every Suit in the house will be made.

Mrs. Ida Wagstaff called on Mr. Earl Hall Monday afternoon.

Mr. and Mrs. Chester Barber and family, Misses Hazel Hayes and Ella Barber and Arch Barber were Jacksonville callers Friday.

Mr. and Mrs. Virden Wagstaff and son Spencer, spent Sunday afternoon with Mr. and Mrs. Henry Ozburn.

FREE LECTURE

on
CHRISTIAN SCIENCE
I. O. O. F. Temple, E. State St., Friday, April 15th, at 8 o'clock P. M., by John C. Lathrop, C. S. B., of Brookline, Massachusetts, Member of The Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

SOME HISTORY OF OLD DWELLING HOUSE
The Fitzsimmons property, which is being razed on Court street, was used as a school in 1849.

Three Portuguese girls, namely, Miss Kate Alves, Miss Theresa Gouveia, and Miss Jessie Quintel, attended school there in 1849, and Mrs. Eames was their teacher at that time.

Miss Alves became the wife of Joseph Figuera, who owned a fruit farm near the Diamond Grove, also a grocery store in the city.

Mrs. Figuera is now living in Brooklyn, N. Y., aged 88 years. Miss Gouveia became the wife of Joseph De Silva, and is now living at 724 West Lafayette avenue, aged 85 years.

Miss Quintel became the wife of Anthony De Freitas, and lived on North Diamond street until her death.

SPECIAL NOTICE

To stimulate April business we will put on a special Suit Sale Thursday, Friday and Saturday. A liberal cut in price on every Suit in the house will be made.
J. HERMAN.

W. F. Winsott made a trip to the city yesterday from Roodhouse.

EVERY HOME NEEDS HOT WATER

The kitchen, bathroom, laundry, and even the scrub pail, all require quantities of hot water. The daily bath is a real treat when you can have the unlimited hot water when you want it.

We have several very efficient and economical water heating systems to show you.

There is a type best fitted to your particular needs. Come in and see for yourself.

BLUFFS HOUSEHOLD SCIENCE CLUB MEETS

Mrs. Margaret Tewksbury Entertains Club Members Tuesday—Tom Thumb Wedding Planned—Other Bluffs News.

Bluffs, April 13.—The household Science club met with Mrs. Margaret Tewksbury Tuesday afternoon, April 12, with 25 members present. After the regular program a social hour was spent, during which time luncheon was served by Mesdames Tewksbury, Etta Oakes and Melva Parker, hostesses on this occasion.

Roy Lee, the two-year-old son of Mr. and Mrs. Archie Merriman, died at his home near Oxxville early Tuesday morning, after a two days' illness of heart trouble.

Funeral services will be conducted from the family home at 10 a. m. Thursday. Interment will be made in the Exeter cemetery.

S. D. Rockwood, former resident but of late of West Plains, Mo., had the misfortune to have both bones of his leg broken just above the ankle when he was thrown from the tractor which he was operating Saturday afternoon.

About an hour after the accident he was found by his farm hand.

Mrs. Fred York, who has been the guest of relatives in Hannibal, Mo., since Sunday, returned home Wednesday.

William McCullom is confined to his home on account of illness.

The members of the I. O. O. F. gave Henry Summers, Sr., a rousing party at his home Saturday evening, in honor of his birthday.

A number of relatives and friends gathered at the Mrs. Richard Nortrup home Sunday, to help her celebrate her birthday. A very pleasant time was passed by those present.

A Tom Thumb wedding will be given, under the auspices of the M. E. church, in the near future. Sixty children will be trained for the part and the affair promises to be of interest. Out of town talent will train the children.

SUGAR GROVE

Mrs. Elizabeth Roberts has returned home from Davenport, Ia., where she spent the winter with her daughter, Mrs. Hinghart.

Mrs. Roy Hankins was a guest of her mother, Tuesday.

Mr. and Mrs. George Hazlewood are the parents of an eight-pound son.

Mrs. Yeck has returned home from Jacksonville, where she has been visiting her daughter for some time.

Mrs. Essie Mae Parker is reported on the sick list this week.

Mrs. George Lewis called on Mrs. Essie Mae Parker Tuesday evening.

Miss Nettie Hankins has returned home from Jacksonville, where she has been for several months.

Little Grace Laugherty is able to be out, after a recent illness.

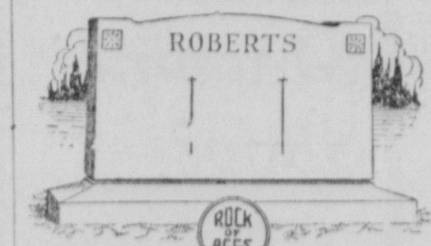

If you are going to Chicago on the excursion and expect to buy a bag or suit case for the trip, we can help you save on one. Come in and see us.
T. M. TOMLINSON.

WOMEN OF MIDDLE LIFE

A Dangerous Period Through Which Every Woman Must Pass

Practical Suggestions Given by the Women Whose Letters Follow

Afton, Tenn.—"I want other suffering women to know what Lydia E. Pinkham's Vegetable Compound has done for me. During the Change of Life I was in bed for eight months and had two good doctors treating me but they did me no good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, which I did, and in a short time I felt better. I had all kinds of bad spells, but they all left me. Now when I feel weak and nervous I take the Vegetable Compound and it always does me good. I wish all women would try it during the Change of Life for I know it will do them good. If you think it will face some one to try the Vegetable Compound you may publish this letter." Mrs. A. KELLER, Afton, Tenn.

Mrs. Mary Lister of Adrian, Mich., adds her testimony to the value of Lydia E. Pinkham's Vegetable Compound to carry women safely through the Change of Life. She says:

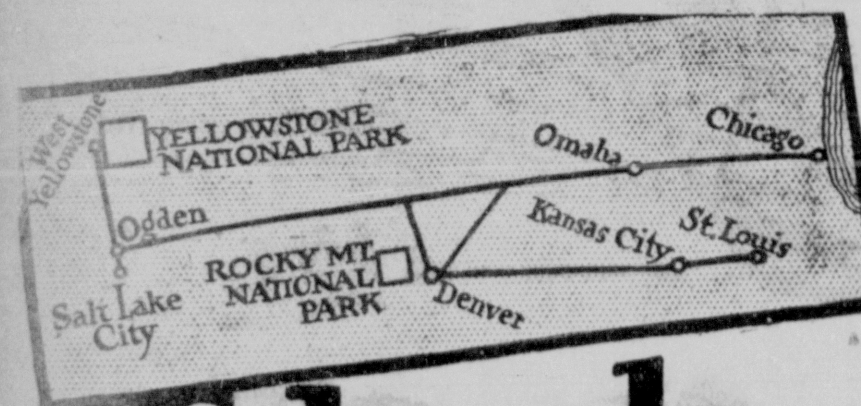

"It is with pleasure that I write to you thanking you for what your wonderful medicine has done for me. I was passing through the Change of Life and had a displacement and weakness so that I could not stand on my feet and other annoying symptoms. A friend told me about Lydia E. Pinkham's Vegetable Compound and the first bottle helped me, so I got more. It cured me and I am now doing my housework. Your medicine is certainly woman's friend and you may use this testimonial as you choose."—Mrs. MARY LISTER, 608 Frank Street, Adrian, Mich.

It is said that middle age is the most trying period in a woman's life, and owing to modern methods of living not one woman in a thousand passes through this perfectly natural change without experiencing very annoying symptoms. Those annoying spells, the dreadful hot flashes that send the blood rushing to the head until it seems as though it would burst, and the faint feeling that follows, as if the heart were going to stop, those sinking or dizzy spells are all symptoms of a nervous condition, and indicate the need for a special medicine.

Lydia E. Pinkham's Vegetable Compound is a root and herb medicine especially adapted to act upon the feminine system. It acts in such a manner as to build up the weakened nervous system and enables a woman to pass this trying period with the least possible annoying symptoms.

Women everywhere should remember that most of the common ailments of women are not the surgical ones—they are not caused by serious displacements or growths, although the symptoms may be the same, and that is why so many apparently serious ailments readily yield to Lydia E. Pinkham's Vegetable Compound, as it acts as a natural restorative and often prevents serious troubles.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

Colorado Salt Lake City Yellowstone

-see them together

Three fine vacation trips in one!

Roam over the great Rockies among wild flowers, visit Rocky Mountain National (Estes) Park—unexpectedly run into a deer or an elk—nature at its wildest but also at its safest.

Golf, tennis and horseback riding.

Then visit Salt Lake City—hear the organ recitals in the wonderful Mormon Tabernacle and bathe in the buoyant waters of Great Salt Lake—you can't sink.

See in Yellowstone the legerdemain of nature presented as at no other place in the world. Geysers, canyons, boiling springs, waterfalls, cascades, roaring hot and cold streams. See great herds of wild deer, buffalo, bear and elk.

Live in wildwood camps or luxurious, modern hotels, as you choose.

Low Summer Tourist Fares Commencing June 1st April is "Planning Month" for summer vacations. Don't overlook Colorado, Salt Lake and Yellowstone. You can enjoy them all on the same trip. On request we will plan a trip for your consideration.

Write for illustrated booklets: "Colorado Mountain Playgrounds," "Rocky Mountain National Park," "Yellowstone National Park," "Utah-Idaho Outings." They are free. Mention advertisement "F."

RECREATION REPORT

(From Red Cross Survey.)

Amount of Park Space. Jacksonville has a total of public parks acres as follows: Nichols' park, 90 acres; Mauvaisterre park, 360 acres; Duncan park, 4 acres; Public Square, 4 acres.

Although most of this park area is some distance from the homes of the majority of the people, the total amount is generous for a city of this size. It provides one acre of park space for each 34 inhabitants. The Springfield Survey, published in 1914, gave the ratings for eleven large American cities to be as follows:

City	Inhabitants	Per acre of Park space
Washington	60	80
Los Angeles	61	104
Minneapolis	244	233
St. Louis	293	200
San Francisco	310	366
Philadelphia	404	493
Boston	493	
Detroit		
Buffalo		
Chicago		

In addition to these city parks the well shaded and beautiful lawn of approximately thirty acres at the Jacksonville State Hospital is open to the public. The fine wooded campus of Illinois College may be had for public functions and is used as a playground by children.

There is no playground commission or director of public recreation.

A number of years ago, S. W. Nichols gave to the children of Jacksonville, a parcel of land in a congested district for playgrounds and when first established were equipped with a generous amount of play apparatus, and an assistant play director of the Chicago public schools was employed to supervise the play during the summer months. As soon as he got his work under way, he gathered great crowds of children. Many people said there was no need for a playground. The supervisor's census showed a larger attendance, considering the surrounding population, than any Chicago playground.

In addition to the equipment the grounds were improved by planting trees and shrubbery. Vandalism soon committed depredations, and rowdies interfered with the children at play. The supervisor stopped the interference with the children, but ultimately every tree and shrub and much of the equipment was destroyed. Appeals were made for police protection. The effort to maintain these grounds did not meet with the hearty support from city officials.

The second year the grounds were operated the same supervisor was brought back. His wife came with him to assist him. An effort was made to extend the work of the public school grounds. Permission was granted to use these. The supervisor put in his mornings on the different school grounds and met with a ready response from the children.

After the second year those most interested in the movement abandoned it on account of the attitude of certain people, some of them officials.

These two years of the operation of the playgrounds proved beyond question that they are needed. Frequently there was so many children that the supervisor, his assistant and volunteer help could not handle them. It was not unusual to see many parents at play with their children. Frequently groups of young women from the factories came to the grounds and romped with the children.

The first ward playgrounds are still operated during the summer season. The equipment has been replaced to some extent, but vandalism is still committed. Usually there is some supervision of the grounds.

Vacant lots all over the city are utilized as playgrounds by neighborhood children. Some of them are suitable for play others are not. There is considerable play by children on the streets and wide boulevards, especially on the smoothly paved streets of the residence districts, with its attendant dangers.

A few years ago South Prairie street was paved with asphalt. When completed it became a speedway for automobile drivers and it also became a playground for the neighborhood children. Complaints of automobilists to the Chief of Police brought newspaper warnings to the children to keep off the street. A block from the pavement stands the Fourth Ward school with ample grounds for play around it. A play supervisor and a little equipment on these grounds would have kept the children off the street, attracted many more, and given them that recreation to which they were entitled.

Some shrubbery has been planted on the grounds of three of the six grade schools, and on the Catholic school ground; but all of them might be provided with additional as well as with more suitable play space. Play is supervised on the grounds of the schools. There is a playground around each public and parochial school, although the Junior and high school grounds are not large enough to provide much play space.

Five of the grade schools have indoor play apparatus, and three, some additional outside equipment. The six grade schools each have basketball goals. The high school under construction will have indoor equipment. The Catholic school has both indoor and outdoor equipment and the play is supervised. The Lutheran school has no play equipment but some of the play is supervised.

Athletics—Golf. At Nichols' Park there is a public golf course which is generally crowded in good weather.

About two hundred players use it. A municipal golf club contributes about one thousand dollars annually to the maintenance of these excellent links.

Baseball. In Jacksonville a local baseball team is maintained which plays with teams from other places on Sunday afternoons. Its grounds are poorly equipped. There is usually a series of games between teams from local factories, stores, etc.

College and High School Athletics. Illinois College has an athletic director and enters into all kinds of college athletics—inter-collegiate football, baseball, etc. Each year high school athletics meets are held on the Illinois College field which are participated in by a large number of schools. The other colleges also have athletics.

The Jacksonville High school has an athletic director and most of the high schools in the county have inter-high school athletics. Football, baseball, and athletic events and meets at the college and high schools are generously supported and attended by citizens.

Musie, Lectures and Home Talent Plays.

The colleges and various clubs bring to Jacksonville noted musicians, musical organizations and prominent lecturers who come either in courses of for single entertainments. These attractions, as a rule are generously supported by the public. The colleges, high school, and some of the private clubs and societies put on each year musical entertainments, light opera, Shakespearean plays, minstrels, follies, comedies, and other drama which always brings a large attendance.

Frequently costumes and professional direction are secured from outside. Two of the colleges annually present open air performances of Greek plays, English fets, May Days, Shakespearean plays, etc., which are largely attended. Some of these home talent productions, especially those done by the colleges, are most excellent. Occasionally a symphony orchestra or fine band appears in concert, and each year many recitals and concerts are presented by the college faculties and students so that those interested in music have varied opportunities for enjoyment.

PAINFUL ACCIDENT
Mrs. Ellen Swales of North Prairie street, has received word of a painful accident which recently befell her sister, Mrs. Marie Robinson, at her home in Colorado Springs. Mrs. Robinson was running to catch a street car when she fell and broke her left ankle. She has been detained at home since the accident, which is the first time the young lady has been "shut in" so long for a good while. Latest reports say Mrs. Robinson, although limping some, is getting along as well as can be expected, which is indeed gratifying news to her relatives and many friends.

Mrs. Robinson is well known in this city, which was formerly her "home, sweet home."

You are cordially invited to attend a free lecture on Christian Science at the I. O. O. F. Temple, E. State St., Friday night, April 15th, at 8 o'clock.

POSTPONEMENT
The regular meeting of the Social Domestic Science club has been postponed until the third Friday in May.

SPRAINS HUNT'S LIGHTNING OIL

This soothing, healing, penetrating remedy takes all of the smarting pain out of burns, scalds, cuts, sprains, etc., and quickly lessens the injury. Get a 50c bottle at drugists today.

Just WHISTLE

DON'T SQUEEZE BLACK-HEADS—DISSOLVE THEM

Squeezing and pinching out blackheads make the pores large and cause irritation—then, too, after they have become hard you cannot get all of them out. Blackheads are caused by accumulations of dust and dirt and secretions from the skin and there is only one safe and sure way and one that never fails to get rid of them—a simple way, too—that is to dissolve them. Just get from any drug store about two ounces of calomel powder—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly for few seconds—wash off and you'll be surprised to see that every blackhead has disappeared, and the skin will be left soft and the pores in their natural condition—anyone troubled with these unsightly blemishes should try this simple method.

FIRE INSURANCE in SAFE COMPANIES

EXECUTOR'S NOTICE

Estate of Anna M. Boddy, de-
ceased.
The undersigned, having been
appointed executrix of the last
will and testament of Anna M.
Boddy, late of the County of Morgan
and State of Illinois, de-
ceased, hereby gives notice that
she will appear before the County
Court of Morgan County, at the
Court House in Jacksonville, at
the June term, on the first Mon-
day in June, next, at which time
all persons having claims against
said estate are notified and re-
quested to attend, for the purpose
of having the same adjusted.
All parties indebted to said es-
tate are requested to make im-
mediate payment to the undersigned.
Dated this sixth day of April,
A. D. 1921.
Lillian Angelo, Executrix.
J. P. Lippincott, Attorney.
April 7-14-21

BILL IN CHANCERY

In the Circuit Court, May Term,
A. D. 1921.
State of Illinois, Morgan Coun-
ty, ss.:
Thomas S. Scott and Beulah
Scott, Complainants, vs. Ja-
cob Gregory and the Un-
known Heirs and Devisees of
Jacob Gregory, Deceased.
The defendants in the above
entitled cause will please take no-
tice that a bill in chancery to quiet
title to the west half of lot eighty-
five (85) in the original plat of
the town, now city, of Jack-
sonville, in said County and State,
entitled as above, has been filed
by the above named complainants
against the said defendants, in
the Circuit Court of said Morgan
County, and is now pending; that
a summons in chancery has been
issued against said defendants,
which is returnable to the May
term A. D. 1921, of said Circuit
Court, to be held in the Court
House in Jacksonville, in said
County, on the second Monday,
being the ninth day of May, A. D.
1921; that the foregoing are the
names of all the parties therein.
Now, unless you, the said defend-
ants, shall be and appear at said
court on the first day of said
term, in person or by attorney,
and plead, answer or demur to
said bill, the same will be taken
as confessed by you and a decree
by default in accordance to the
prayer of the bill will be rendered
against you.
F. E. Wanamaker,
Circuit Clerk of Morgan County,
Illinois. April 7-14-21-28

NOTICE OF FINAL

SETTLEMENT.<

A Democracy of Merit

FROM the Chairman of the Board of Directors to the man who sells you Red Crown at a Standard Oil Service Station, the entire personnel of the Standard Oil Company (Indiana) constitutes a Democracy of Merit.

When there are vacancies on the Board of Directors, which occur from time to time, the men chosen to fill them are taken from the ranks. They are men who have proved their value to the Company and their ability to be of service to the customers of the Company.

Where the Company comes in contact with the customer, there are other men who have proved their worth. The operator in charge of the Standard Oil Service Station is on the job not because he happened along when the station was ready to open, but because after careful, painstaking consideration he was selected as the best man obtainable to serve the public in that particular position.

The efficiency of the Standard Oil Company (Indiana) is due to its system of promotion according to merit. Every employe knows that if he makes good at his job he will be given opportunity to advance.

The high quality of Standard Oil products and service is due to the loyal enthusiasm of the employes. The Company's policy of rewarding special endeavor promotes this enthusiasm.

Many of the processes of value to the Company, the public, and the petroleum industry generally, have been evolved by Standard Oil Company (Indiana) employes, working with the facilities afforded by this organization.

When you buy Red Crown Gasoline, Polarine, or any other product bearing the brand of the Standard Oil Company (Indiana) you are receiving the fruits of this enthusiasm, and may rest assured that you are getting the utmost value for the money you spend.

Red Crown is the highest type motor gasoline. Polarine lubricants are the result of infinitely careful adaptation of the principles of lubrication to the various kinds of motors and motor parts for which these lubricants are recommended.

Standard Oil Company
(Indiana)
910 So. Michigan Ave., Chicago 2427

BURDEN ON OUR RAILROADS

(From Hughes and Dier Market Review.)
Perhaps we can do no better service to investment interests in general and our readers in particular, than to set forth this week specific facts regarding the great burden under which the railroads of our country are now staggering.

It is true that the question of abrogating national agreements governing pay of railroad labor and readjustment of wages, is now before the Railway Labor Board of Chicago and will unquestionably receive fair and careful consideration, yet it is only by pressure of public opinion, with such opinion founded on knowledge of actual facts, that a permanently equitable situation can be established. Members of the Railway Labor Board like other boards, commissions and officials, are only human and naturally keep their ears to the ground to learn the trend of public opinion in order that they may know whether the public is likely to justify any action they may take.

As we have said before in these columns, we believe that railroad managements are in many cases inadequate, inefficient and incompetent, and that the much vaunted system of bringing high railroad officials up from the lower ranks is in the main unsound and calculated to permeate railroad managements with "dry rot." While, of course, there is a technical side to railroad management and operation which requires that men shall be fully trained in all details, yet there is another side wherein initiative, modern and up-to-date methods and a knowledge of public necessities are essential. There are many who agree with us that competent management cannot be accomplished except by the intermingling of new brain power from outside ranks

NU-BONE

Corsets are a superb combination of all the desirables without one compromise! There is no sacrifice of style to make way for comfort—no abridgment of comfort to achieve style—no cheapening of quality to meet price. They are the twentieth century answer to the demand for perfection.

Nu-Bone Corsets are made to measure—also kept in stock. Call, write or phone without obligation on your part for information or appointment.

Satisfaction Guaranteed
MRS. ELLEN BOBBITT
214 North Church St.
Be'l 467 Ill. 50-1547

with those who fully understand the technical side of operation because of their training in that direction.

However, at the present moment our railroads, which, as fundamental factors in permitting our great industrial and commercial enterprises to properly function and enjoy prosperity, are staggering under a greater burden than the most efficient management could contend and still successfully operate the roads, to say nothing of paying a reasonable return to investors in railroad securities.

Due to the exigencies of war and the truculent pandering to railroad workers' demands on the part of those fired with political ambition, there has, within the last five years, been saddled on the managements of the railroads a payroll which at the present time is not only bearing the roads down rapidly toward a condition of bankruptcy, but is making it day by day more and more impossible to even operate them unless they shall within a short time find relief, as they did during a long period from the public treasury, thus materially adding to our already burdensome taxation.

Present Purchasing Power of the Dollar.

The reason given for greatly increasing the wage of railroad employees was the increasing cost of living and the depreciated purchasing power of the dollar. Those radical and tyrannical leaders who are fighting for a continuation of the oppressive system of computing and paying the railroads' wage, seem to have entirely lost sight of the fact that during the last few years the investors' dollar has depreciated in purchasing power just as much as has the workman's dollar. Notwithstanding this fact, owners of railroad shares have been obliged to suffer a decrease in aggregate dividends from \$320,395,000 in 1917 to \$278,000,000 in 1920. During that same period the aggregate of railroad wages per year showed an astounding increase from \$1,739,482,000 to \$3,600,000,000, and now railroad labor is insisting on a continuation of this great burden regardless of the fact that the dollar which it receives is rapidly increasing in purchasing power.

In fact taking a reliable publication for our authority, we can say that in the purchase of many commodities the dollar today is far more useful than it was even one year ago. It is true that many retail dealers have not as yet seen the light of their own best interest to the extent of reducing retail prices in conformity with reduction made by wholesalers, yet, notwithstanding that fact, the dollar today will, for instance buy ten pounds of sugar while in 1920 it bought only three and three-quarters pounds. The dollar now buys twenty pounds of rice as against six pounds in 1920; sixty pounds of potatoes as against eleven and one-half in 1920; four dozen eggs as against one dozen a year ago; three pounds of butter as against one pound a year ago, and two and one-half pounds of coffee as against one and one-quarter pounds of the same brand a year ago.

Thus we might go on enumerating instances where the cost of living has materially decreased, going into such matters as clothing, coal, flour, lard, fruit, meats and other commodities comparing their prices today with those during and immediately after the close of the great war.

We simply mention decreases in the cost of living as evidence of the unfairness and "rule or ruin" policy adopted by railroad labor as exemplified in its attitude toward a proper readjustment of the wage scale and rate of wage to which such workers should be justly entitled if others are to live and prosper as well as themselves.

TIME TO BUY COAL

Based on statements to us from the mine operators, we believe that the present is the best time to order coal. Springfield lump 6.50 per ton; Cartersville lump \$7.50 per ton.

MAN-MADE DISEASES

Many of the diseases that afflict man may almost be said to be made by him, says the United States Public Health Service, for they are spread almost altogether by his disregard of the simplest rules of sanitary living.

Typhoid fever, for instance, is spread by the contamination of water, milk and food by human filth which has been run into rivers or wells or left exposed for flies to carry to the kitchen or dining room, or which even more disgustingly, is carried to food directly from soiled hands.

Hookworm disease and other intestinal diseases are spread, to some extent at least, by the States which allow road building gangs to work under conditions which too often compel them to scatter pollution to be carried by flies to their own kitchens or to be ground into the soil to be picked up by the bare feet of children. Practically all hookworm disease is due to soil pollution.

Malaria, too, is often spread by the ignorance and carelessness with which mosquito-breeding

places are created or disregarded. Borrow-pits, dug to obtain stone for road work and other needs and left to fill with water, furnish homes for thousands of wigglers, culverts improperly placed produce pools that are equally prolific; ditches that are closed and never cleared out are popular and populous; railroad and other embankments that stop or check the flow of water create conditions that are ideal—from the mosquito point of view.

Dr. T. F. Abercrombie, health officer of Georgia, has suggested that the convict and other gangs who work along the roads be re-

quired to fill up borrow-pits, place culverts properly, clean ditches, and attend to other small but important details that any man can do and that will deprive the mosquito of many of her breeding places.

To accomplish this along the roads is more important than it may seem, for a mosquito hatched at the roadside does not have to wander in search of food; all she has to do is to wait for food to come to her. Moreover, if she is of the anopheline species, which spreads malaria, she has excellent chances both to acquire the malaria germs and to pass them along.

Until she bites some one who has the disease, her bite, tho no more pleasant than that of any other mosquito, is not any more dangerous. But a simple malaria patient, driving along a ditch-bordered, mosquito-infested road, may provide hundreds of the insects with germs which they may pass on to every traveller along that road.

Dr. Abercrombie, by making the roads of Georgia safe for man, may materially reduce the malaria hazard of the state and, according to the Public Health Service, his example deserves to be followed.

**High Grade
Tailored-to-Measure
SUITS
NOW ONLY \$38.50**

Read and Act

**The Hoped For
Has Happened**

**Prices Have Dropped for a Little While
at Least**

In a recent sale of high-grade Worsteds we bid in a number of patterns at prices which will enable us to sell, at the above figure, a regular three-piece suit made up in our usual good manner. We think there is enough in this lot for from 25 to 30 suits.

These Worsteds are in light and dark patterns, seasonable weights—a genuine Worsted of high grade that will wear well and hold the shape and style in which made up. And in the cutting, fitting and making, every suit will receive our best attention.

**This offer will be snapped up
quick-don't delay-get early
choice of patterns-may be
a long time before we
can duplicate this ex-
ceptional bargain**

We have realized for along time that people want lower prices on clothing. But how to accomplish it, with wholesale prices so high and many holding off buying, is a puzzle.

We were fortunate in getting word of a big sale and in securing a quantity for ourselves. Now, if people are really anxious for pre-war prices and will buy, we can materially increase production thereby lowering costs, and at the average price paid by us can sell this lot at \$38.50 and make a legitimate profit. But, if you are apathetic and enough is not sold to increase production our effort to lower prices is of no avail and we cannot repeat it.

What is Your Verdict?

**Jacksonville
Tailoring Company**
